1. About LPU

Lovely Professional University (LPU) stands out for its commitment to educational excellence, boasting a contemporary campus and offering over 150 professional programs. Its uniqueness stems from its vibrant and diverse community, attracting students from across India and more than 40 countries worldwide.

LPU has consistently achieved international recognition and acclaim. In a testament to its commitment to quality education, the university received the highest Grade A++ with a remarkable score of 3.68 on a 4-point scale from the National Assessment & Accreditation Council (NAAC), an autonomous institution under the University Grants Commission (UGC), Ministry of Education, Government of India. This achievement places LPU at the pinnacle of accreditation among both government and private universities, making it a true leader in the field.

In the Times Higher Education World Ranking 2024, Lovely Professional University (LPU) clinches the 25th spot among India's leading universities. Notably, LPU achieves top rankings in specific disciplines: 1st in Social Sciences, 2nd in Physical Sciences, 2nd in Business and Economics, 3rd in Engineering, and 5th in Clinical and Health. Recognizing its multifaceted excellence, the Ministry of Education, Government of India, positions LPU at an impressive 38th in the NIRF 2023. Delving into specific disciplines, LPU secures 16th in Architecture and Law, 17th in Pharmacy, 27th in Agriculture, 32nd in Management, 42nd in Research, and 50th in Engineering, solidifying its standing as a top-tier institution in India.

This commitment to academic excellence has resulted in an illustrious list of alumni who have made a mark on the world stage. Notable figures like Neeraj Chopra, Amoj Jacob, Manpreet Singh, and Bajrang Punia, to name a few, have brought pride to both LPU and the nation through their outstanding achievements in various sports.

Lovely Professional University (LPU) is not only celebrated for its academic excellence but also as a distinguished venue for hosting notable figures. The Prime Minister, Shri Narendra Modi, has graced the university, elevating its stature. Following the Prime Minister's visit, LPU has been graced by Nobel Laureates, global luminaries like the Dalai Lama, corporate icons such as Mr. Takeuchi H, the MD and CEO of Maruti Suzuki, and several ministers of its stature. These esteemed visits amplify LPU's stature as a beacon of innovation and Intellectual exchange in India, truly making it a focal point for national discourse and progress.

As LPU continues to evolve and set new benchmarks in education, It remains committed to nurturing future leaders and fostering a global perspective among its students. The university's innovative pedagogy, research orientation, international collaborations, and state-of-the-art facilities all contribute to its well-deserved reputation as a global institution of excellence.

8. Scholarship and Financial Aid

8.1 Overview

- (i) Lovely Professional University strongly believes in the fact that monetary constraints should not be an obstacle for a student to have access to quality education. So, the University extends Scholarship Scheme which is an initiative by the University to cultivate the talent of students that may be hidden due to financial constraints. Scholarship can be availed in all the Programmes of the University, ranging from Diploma to Ph.D.
- (ii) **Scholarship Categories:** Scholarships are awarded to candidates based on their performance on any of the following categories:
 - Eligibility Qualification
 - LPU's Entrance and Scholarship Test : **LPUNEST**
 - Certain **National Level Entrance Tests** [NIFT-PG, NID-PG, GATE, JAM, GPAT and CEED]
- (iii) **Scholarship Brackets:** For each category mentioned above, three brackets of Scholarship (Bracket 1, 2 and 3) are defined. Each bracket has its own respective criteria which needs to be met for availing the applicable scholarship. Therefore, the students meeting the requirement of Bracket-1 gets the highest Scholarship and those in Bracket - 2 or 3 gets relatively lesser scholarship.
- (iv) **Scholarship Phases:** Admissions in LPU are done in different Phases, which are bifurcations of the Admission time period. The amount of Scholarship also depends on the Phase in which the candidate takes admission in the University. Phase-I starts as early as **December 2023** and continues till the end of **April 2024**. The subsequent phases are conducted only if the seats in the concerned programme remain vacant. The amount of Scholarship reduces with each passing phase and no Scholarship is offered in subsequent phases (if conducted). The dates for subsequent phases (if offered) will be updated on the university website (www.lpu.in)

10.1 Preference for Test Format

We believe in providing flexibility to our candidates, and that includes the format of the entrance test. You have the freedom to select the test format that best aligns with your preferences and circumstances. Here are your options:

Option 1: Remotely Proctored Exam from Home

Take the exam from the comfort of your own home, eliminating the need for travel and offering greater convenience. Candidates opting for remote proctoring must ensure they meet the infrastructure requirements outlined in point no.12.2. We have implemented a secure proctoring system to ensure a fair and reliable testing experience.

Option 2: Test Center Near Your Area

Prefer a traditional test center setting. You can choose to take the exam at a test center located near your area. We have established various test centers across different locations to accommodate your needs.

11. Slot Booking through LPU Admit (For Test Centre Candidates only)

Applicants can book their slot for LPUNET, download e-hall ticket, can check their result and perform various other activities related to admission using LPU admit portal.

11.1 Username and Password:

Username and Password can be obtained through the following ways:

- Apply through LPUADMIT portal (admission.lpu.in) and fill the details like name, email ID and mobile number through which OTP is generated and fill the OTP in LPUADMIT Portal.
- Username of the applicant will be his/ her email ID.
- Password will be auto-generated. Applicant will receive the password on registered e-mail ID.
- Applicant can reset password by login into LPUADMIT Portal.
- OTP based login for accessing LPUAdmit Portal is also available on the portal.

11.2 Instructions regarding Username & Password :

- The username and password must be remembered to check the updates related to the test.
- The security of your password is totally your responsibility. University will not be held accountable or responsible for any claim or loss that results directly or indirectly from any unauthorized use or misuse of your password.
- The Password must be kept confidential. The applicants should not disclose it with others. The Password should not be written down or stored or auto saved on their computers/ device.

- Password is required to book the slot, download hall ticket, check the allocated slot by the university. (If the applicant has opted for the booking of slot by the university)
- Once University receives the Application Form, an e-mail regarding Username and Password will also be sent to the applicant. So, applicants are required to fill a valid e-mail ID in the application form.
- By using same user id, an applicant can apply for LPUNET test of different programmes.

11.3 Online Slot Booking:

While filling the OMR sheet or submitting online application, the applicant is required to opt for slot booking for the test by himself/ herself or allowing the university to do the same for him/ her.

Flexible Exam Date Selection (For both Test Centre and Remotely Proctored Exam)

To further enhance your convenience, you can either let the university assign an exam date for you or select a date from those available on the LPU portal during the registration process. This way, your test date can fit seamlessly into your schedule. At LPU, we believe in empowering you to make choices that suit your unique circumstances. We are committed to making the entrance test experience as accessible and accommodating as possible

Option-I: Booking of the slot by the applicant

- Online Slot booking is a web based online scheduling system available at LPU Admit which will be activated as per dates mentioned on the university website www.lpu.in
- Applicants can access the LPU Admit Portal to book their test schedule.
- Applicants can opt for their preferred exam mode, either at a test centre or through remote proctoring as per their convenience.
- The schedule bookings are done on first-come-first-serve basis and are subject to the availability of seats at the test centre.

Option-II: Booking of the slot by university (For Test Centre Candidates Only)

- Applicant has to specify 5 choices of exam dates on the OMR sheet/ online application.
- University will allot any one date (preferably from the given choices) for the exam as per the availability of exam slots. University will process the request for exam slot within 48 hours after receiving the application form. However, all application received before the start date of the slot booking will be processed only when LPU Admit/ Slot Booking will be activated (refer university website www.lpu.in).
- Applicant has to visit LPU Admit and is required to fill username and password to check the allocated slot for the test.
- In case of non-availability of the slots out of the 5 choices filled by the applicant or due to any postal delay, university may allot any other date to the applicant.

11.4 Important Points for Online Slot Booking Procedure

- In case of non-availability of the slots in a centre of choice, the applicant may choose to book a slot in an alternate centre.
- If for any reason, including poor response of applicants for appearing at a particular centre, a test centre may be cancelled, the applicants who had opted for that centre will be allotted another centre. LPU will inform such applicants individually through registered e-mail ID/ mobile number.
- The online slot booking is available only to those eligible applicants who have submitted the application forms complete in all respects on or before the last date mentioned on the university website www.lpu.in
- It is the responsibility of the applicant to book their test slot in LPU Admit portal in the given time frame if he/she has chosen that booking of the slot will be done by the applicant in the OMR sheet/ online application form. LPU will not be held accountable for the non-bookings. The application/ entrance test fee will not be refunded under any circumstances for such cases.
- The confirmation mail will be automatically sent on the registered email ID after the applicant has booked his/her slot through the online slot Booking interface.

Important Note:

- In the rare and highly unlikely event of a technical failure/ natural calamities/ unforeseen circumstances during the test, the applicant may be required to appear for the test again.
- Applicants must visit www.lpu.in regularly to obtain latest news, information and updates on LPUNEST-2024.

12. Hall Ticket (For Test Centre Candidates Only)

Process for downloading the hall ticket:

1. For Applicants who booked their test slot themselves:

The Hall Ticket will be generated immediately after the applicant books the slot (Scan the QR Code mentioned at page 21).

2. For Applicants whose test slot is booked by the University:

The Hall Ticket will be generated after 48 hrs. of receiving the application form and will be made available at LPU Admit portal. However, all applications received before the start date of the slot booking will be processed only when online booking starts (for details refer university website www.lpu.in).

Applicant can log into LPU Admit Portal to download the hall ticket. The Hall Ticket will indicate the address of the test centre, test date, time allotted to the applicant and regulations. Discrepancies, if any, must be brought to the notice of the university immediately at lpunest@lpu.co.in.

The Hall Ticket will NOT be dispatched to applicants via post or fax.

13. Online Entrance Test

13.1 What is Online Entrance Test:

The LPUNEST (Lovely Professional University National Eligibility and Scholarship Test) is a computer-based online test designed to assess the aptitude and knowledge of candidates aspiring to join various programs offered by Lovely Professional University. Whether you choose to take the test at a designated test center or opt for the convenience of a remotely proctored test, the core experience remains the same.

Test Options

LPUNEST offers two test options: test centre-based and remotely proctored. Test center-based tests are conducted at designated examination centers, providing a structured and monitored environment. On the other hand, remotely proctored tests allow you to take the test from the comfort of your own space, provided you have a reliable internet connection and a suitable computer setup.

13.2 Guidelines for Remotely Proctored LPUNEST exam

If the student opts for a remotely proctored exam from home, then he will enter the time and date of the exam in the interface. The candidate will get an email regarding the guidelines, date, and time of the exam. The remotely proctored exam will be monitored live through various Artificial Intelligence tools and by the invigilators. You can take your LPUNEST exam in the comfort of your home while being monitored by our proctors. To appear in exam from home, you need to ensure the following infrastructure at your end:

- The remotely proctored exam required two devices. A Laptop/ Desktop (Primary device) and smartphone (Secondary device).
- A Primary device, Windows/ Linux/ Mac laptop or desktop with proper working webcam and microphones.
- A secondary device, mobile phone (iOS/Android) acting as a 3rd eye.
- Both devices are mandatory to appear in exam. You cannot appear in exam with a single device.
- An isolated room with proper lighting without any external disturbances.
- In case of non-availability of devices, the candidate must opt for Test Centre Based exam.
- To appear for the exam at home, a minimum 1MBPS speed of the internet is required.
- In the exam information step, the candidate has to select a combination of subjects from a given pool of subjects. For example, a B.Tech. aspirant will select one of the options from

Maths or Biology apart from the compulsory subjects Physics, English and Chemistry.

- Finally, the candidate will click the Submit button to complete the process.

Note: Once the candidate selects Remotely Proctored Exam from home, then the candidate cannot switch to Test Centre-Based exam.

A detailed list of prohibited activities are available in the general guidelines document. Even an iota of violation of instructions will result in a candidate's disqualification

13.3 Procedure for Test Centre Based Exam

The applicants must ensure that the computer allotted to them is switched on and any problem with the computer should be informed to the invigilator immediately.

The test will consist of multiple choice questions (MCQs) and fill in the blank (wherever applicable). Fill in the blanks will have one answer having numerical value. Each MCQ will consist of a stem which may be in the form of a question or an incomplete statement and four responses labelled A, B, C and D. One of these four responses will be correct or most appropriate answer. Applicants must choose the correct or most appropriate answer by clicking on the button next to the answer.
