

Terms & Conditions for LPU - Scholarship and its different phases

- 1) Scholarship and different phases of Fee/ Scholarship are applicable for Indian Applicants only
- 2) Grant of Scholarship in different phases is subject to prevalence of Scholarship Scheme at the time of receipt of application and is further subject to verification and authentication of the information, certificates and other documents as required by the University.
- 3) Percentage in the Qualifying examination represents percentage of aggregate marks. In case of Programmes after 10th and 12th, calculation of aggregate marks will be done considering best five subjects (with highest marks) in the qualifying examination. However in case the concerned board declares student pass with less than five subjects in 12th, calculation of aggregate marks will be done considering less than five subjects (with highest marks) only. Further it is important that in all situations, the marks obtained in subject(s) prescribed under the respective eligibility criteria of LPU for the concerned Programme must be taken into account for calculation of aggregate marks. Thus in such conditions, eligibility criteria of Lovely Professional University will prevail over concerned board or equivalent body. This clause is applicable for calculating eligibility as well as scholarship. If candidate is not able to satisfy the eligibility criteria as per the criteria mentioned above, then all the subjects registered for qualifying exam may be considered for calculating aggregate marks for eligibility only and not for offering scholarship. For details, refer the head 'Eligibility' under 'General Guidelines for Admissions etc' in Part C of Prospectus 2021.
- 4) For determining the eligibility and scholarship of applicants who have completed their eligibility qualification from LPU, the multiplying factor 10 will be used for converting CGPA into percentage.
- 5) Applicants, who have scored 10 CGPA in 10th or 10+2 (12th) class CBSE board, will be considered for scholarship equivalent to that of 90% and above bracket.
- 6) Scholarship is offered at the time of Admission only and may be offered on different basis like Scholarship on the basis of Sports, on the basis of cultural performance or on the basis of marks in qualifying exam etc. Applicant can claim the Scholarship on any one basis and the claim for Scholarship may be made only at the time of filing Application for Admissions or before the date prescribed by the University subject to the last date of Admission with Scholarship for the concerned Programme. In case applicant has opted Scholarship of one type (i.e. on one basis) or has not opted for Scholarship at all, then change in the Scholarship type (basis) so claimed will not be allowed and claim for the Scholarship will also not be allowed at later stage.
- 7) Scholarship will be awarded to the candidate only after the verification of original documents. In case candidate is not able to provide the documents within the stipulated time as prescribed by the university, subject to maximum of 6 months from the last date of admission, then scholarship will not be awarded or may be canceled, if already awarded.
- 8) In case, an applicant is eligible for Scholarship as well as for any other monetary benefit under any other scheme or policy of LPU, then he/ she has to opt for only one scheme of his/her choice.
- 9) In addition to LPU Scholarship, if a candidate gets scholarship from a Government/ NGO/ any other organization, then LPU Scholarship will be restricted to amount obtained by subtracting outer agency Scholarship (from a Government/ NGO/ any other organization) from total applicable fees (including Examination fee and charges for residential/transport/ laundry facility/ meal plan, If any, subject to maximum for an air cooled three seater residential facility). Total Applicable fee will be excluding any scholarship amount offered by University.

Example: Assuming Fee of B.Tech. Programme as Rs. 120000/- per semester (i.e. Rs. 2,40,000/- per year), Exam fee as Rs. 6000 (for two semesters) and the Residential fee for two seater air cooled Residential Facility (Boys) as Rs. 85000/- per academic session and charges for Mess Plan and Laundry are Rs. 32000/- and Rs. 4000/- respectively. If a candidate (boy) enrolled in B.Tech. with a 2 seater air cooled residential facility receives a scholarship of Rs. 96,000/- per year at the time of admission and later on also gets a Scholarship of Rs. 3,00,000/- per year from outer agency or equivalent, then the maximum entitlement for scholarship offered by LPU for such candidate shall be Rs. 52,000/- per year (instead of Rs. 96,000 Per Year), obtained by subtracting Scholarship of Outer agency i.e. 3,00,000/- from total fee of the programme i.e. Rs. 3,52,000/- (2,40,000/- + 70,000/- + 32,000/- + 4000/- + 6000/- = 3,52,000/-).

Important point is that for calculating total fee of the candidate, fee of 2-Seater air cooled residential facility i.e. Rs. 85,000/- per year has not been considered rather Rs. 70,000/- per year (3 seater air cooled residential facility) has been considered as fixed as maximum limit by the University.

- 10) A candidate being admitted under Post Matric Scholarship or any other Govt. Scholarship for full programme fee waiver can either avail scholarship offered by Govt. agency or Scholarship offered by the University.
- 11) If a candidate earlier admitted for a programme during one phase, later on applies for programme transfer; then he will be entitled for the fee/ scholarship benefit applicable in that phase in which he initially took admission in, subject to last date of admission and availability of seats in the concerned programme and other conditions prescribed for that specific phase. However, no separate schedule of LPUNEST will be available for such candidates.

Example: Case 1) Applicant initially admitted in Phase-I in BFA with 50% scholarship, if later on in Phase IV seeks transfer to B.A., then for B.A. also he will get the same scholarship bracket as for BFA in Phase I (50% Scholarship).

Case 2) Applicant initially admitted in Phase I in B.Tech. with 50% Scholarship after qualifying LPUNEST, if later on in Phase IV seeks transfer to B.A., then for B.A. also, he/she will get the benefit of Phase I Scholarship.
