

## Criteria for awarding Best Performing School in EXPLORICA

From each districts (subject to participation of minimum five schools in that district) one school will be selected for this award on the basis of its School Index (**M**) which will be calculated as follows

**School Index (M)= Gyan Manthan Score (G) + Participation Score (P) + Discipline Score (D)**

### 1. Gyan Manthan Score **G**

No. of students appeared in Gyan Manthan =  $n$

No. of students qualified for Study Grant in LPU =  $q$

No. of Students Appeared→	$n < 10$	$10 \leq n < 20$	$20 \leq n < 30$	$30 \leq n < 40$	$n \geq 40$
Marks (A)	10	20	30	40	50
Qualified for Study Grant $E = \frac{q}{n} \times 100$	$E < 10$	$10 \leq E < 20$	$20 \leq E < 40$	$E \geq 40$	
Marks (B)	15	25	35	50	
Marks for securing District Topper position (C): 20					
Marks for securing State Topper position (D): 30 (Student standing state topper will not be considered for district topper position).					
Gyan Manthan Score $G = A + B + C + D$					

### 2. Participation Score **P**

For participation in each competitive event: 10

For each first position secured: 10

For each second position secured: 8

For each third position secured: 5

### 3. Discipline Score **D**

Marks for reporting on or before time: 30

Marks for exhibiting good discipline in Campus: 20

#### Note:

- In case of tie in M score between two or more schools in a district, one having higher P value will be considered for award. If still there are more than one schools as per this criterion then decision will be taken on the basis of value of G and at last on the value of D (i.e. one having high score in P will be considered higher and then in case of tie in P score, one having high score in G will be considered higher).
- Best Performing School in a district will be declared subject to participation of minimum 10 schools from that district. In case number of schools from a district are less than 10 then all such districts will be combined and one single school will be declared as Best Performing School (subject to the condition that after combining there are 10 or more schools).
