ABOUT

LOVELY PROFESSIONAL UNIVERSITY

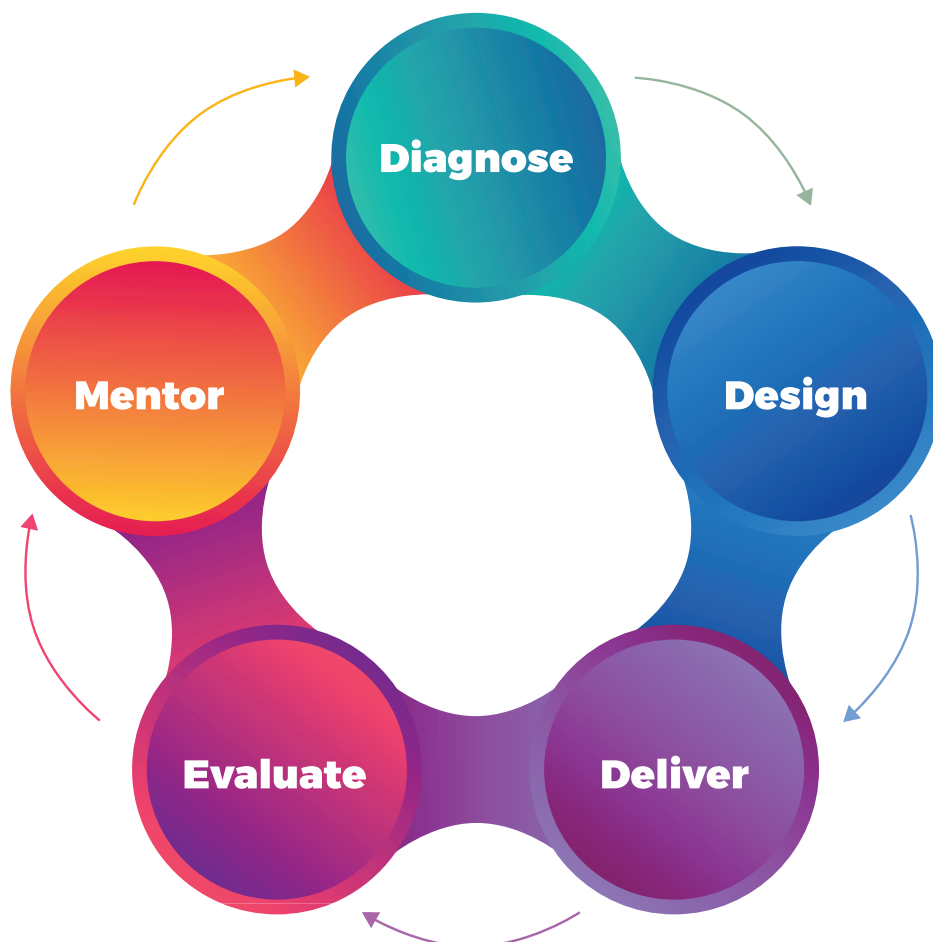

Lovely Professional University has a lush green vast campus with emblematic architecture spread over 600 acres of land on the Grand Trunk (GT) road at the entry of Jalandhar city, Punjab. The University has a leading position in the field of Business Management, Engineering, Agriculture and Applied Medical Sciences.

We had the honour of organizing 106th Indian Science Congress in 2019, inaugurated by Prime Minister Sh. Narendra Modi. The scientific deliberations involved three Nobel laureates, nearly 20000 eminent scientists & delegates.

CORPORATE PATHSHALA

Corporate Pathshala is committed to enhance professional and organizational competencies leading to business growth and development. We provide tailor made solutions to the clients.

Innovation in people, products and processes is our mantra. Corporate Pathshala has an experienced and vibrant team of corporate trainers engaged in diagnosing, designing, delivering and devising workable solutions for business development. We cater to the learning and development needs of industry through an iterative approach aimed at excellence.

Get ready for designing & conducting outcome oriented Training programs, creating a positive learning curve. Learn how to create an impact through powerful presentation.

ON CAMPUS FACILITIES

Uni hotel having state of the art residential facilities to host the corporate guests. We are the proud member of FHRAI (Federation of Hotel & Restaurant Associations of India) and ICHRIE (International Council on Hotel, Restaurant and Institutional Education) having tieups with many hotels of repute.

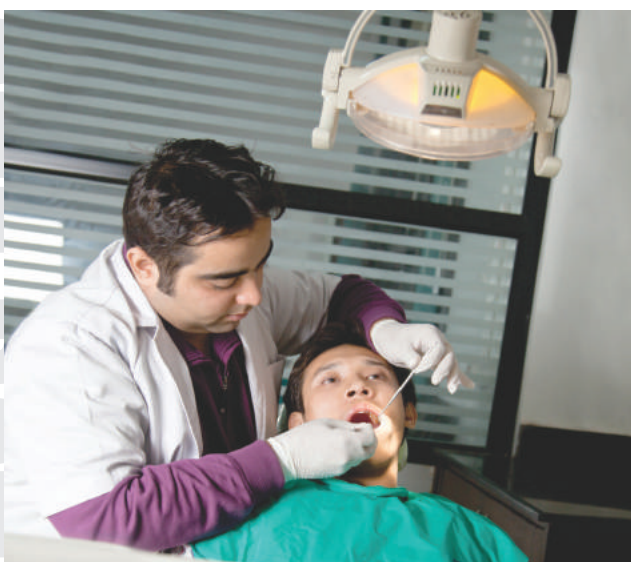

While on campus, the delegates attending Corporate Pathsala programs have access to one of the largest and advanced Indoor Sports complexes 'matching Olympics standards. It includes many badminton courts, shooting range, and an Olympic size Swimming pool for all seasons. There is a cricket stadium and unmatched outdoor games facilities.

To host Corporate Conferences, Award ceremonies and annual meets, conclaves the campus offers well equipped ultra-modern air-conditioned auditorium with a seating capacity of 2000 and the latest technology for video conferencing.

The campus is equipped with all medical amenities, 30- bed hospital, well qualified doctors and paramedical staff.

We strongly believe that long lasting learning is directly proportionate to the fun you experience. Corporate Pathsala provides Experiential learning opportunities via corporate boot camps in the lap of nature. In the farm spread over about 250 acres of land participants can joyfully experience various fruit orchards, green house farming, and many other activities during their out bound trainings.

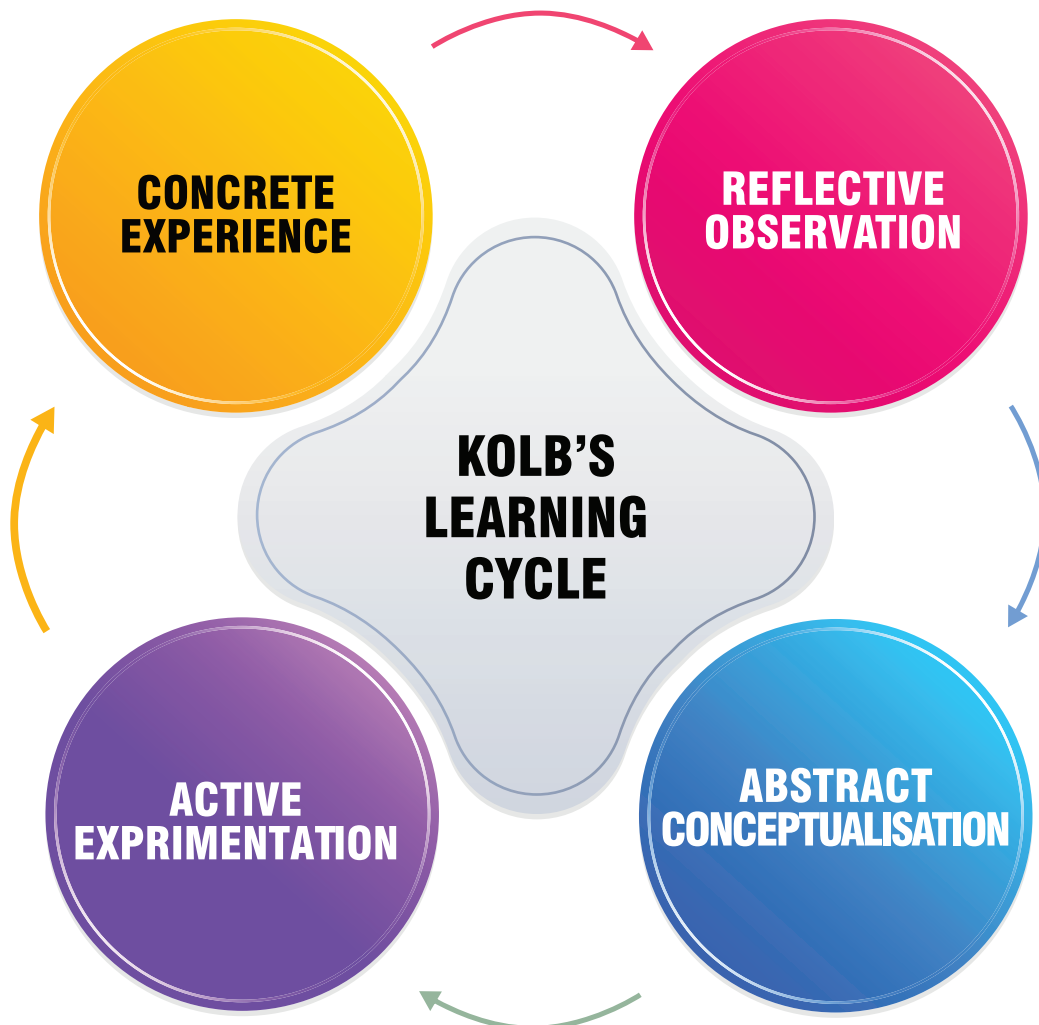

To make you feel at home, the hospitality team offers a diverse range of cuisines including north/south Indian, Chinese & Mexican food.

EXPERIENTIAL LEARNING

THE OUTCOME BASED TRAINING STRATEGY

Applying Kolb's Learning Cycle, our facilitators provide the executives opportunities to experience, reflect, conceptualize & experiment. The learning so acquired is easily transferable to the workplace. The training strategy is designed to provide hands on experience followed by individualized coaching & action plan. The programs give you experiential learning with a gamified approach inculcating business acumen.

OUR SUCCESS EQUATION

Outcome = Strong Subject Matter Expertise × (Participant Centred Strategy + Gamified Approach)

OUR BENEFICIARIES

TESTIMONIALS

“Navdisha training program was successful in giving a new direction to Indane distributors w.r.t service quality and customer satisfaction. The program was well crafted to suit our needs. The Faculty used experiential learning techniques which were appreciated by the participants. The training infrastructure, ambience and the organization of the program was commendable.” Keep up the good work.

Rajiv Sharma
Manager LPG-S Indian Oil Corporation
Jalandhar

It has been a privilege for Trainer's Academy of JCI India Zone-1 to be associated with Lovely Professional University for conducting various up gradation courses for Trainers of JCI India.

We were fortunate enough that we were able to access world class infrastructure and ambience, where learning was in the air and we could involve our trainers for spell bound sessions. We look forward to many more such interactions.

Jc. Harpreet Singh Oberoi.
Dean - Trainers Academy

The experts of Lovely Professional University have been conducting various Training and Professional Development Programs for Officers and Executive levels of Vardhman Textiles. We have been benefitted by LPU with workshops and seminars on topics including Emotional Intelligence, Personality Development, Industrial Relations, Problem Solving and Decision Making. Involvement of Lovely Professional University has genuinely helped the participants in capability building and improving interpersonal skills. We look forward to have a long association with LPU for our upcoming development programs.

Ajay Aggarwal
