LOVELY WORLD

Vol - 58 · Edi - 48 · 30th September, 2026

• MONTHLY EDITION •

25 Years of Vision. A Future of Possibilities.

25 Years of Transformation

These then-and-now photographs trace LPU's remarkable growth. Familiar campus landmarks have been transformed as new spaces have taken shape around them, showing how far the university has come in 25 years. Together, they tell the story of a campus that continues to grow with the ambitions of its community.

Lighting the Path to Learning

On World Literacy Day, LPU NSS celebrated the Gyandeep Project and its volunteers, who help children discover the joy of reading and learning. Their efforts open doors to new possibilities beyond the classroom.

Celebrating the Silver Jubilee and a new chapter in education

On 5 September 2026, Lovely Professional University marked its 25th Foundation Day with a celebration of the people, ideas and ambitions that have shaped its journey. Held alongside Teachers' Day, the occasion also launched LPU's Silver Jubilee Year, bringing the university community together to reflect on its achievements and look towards the future.

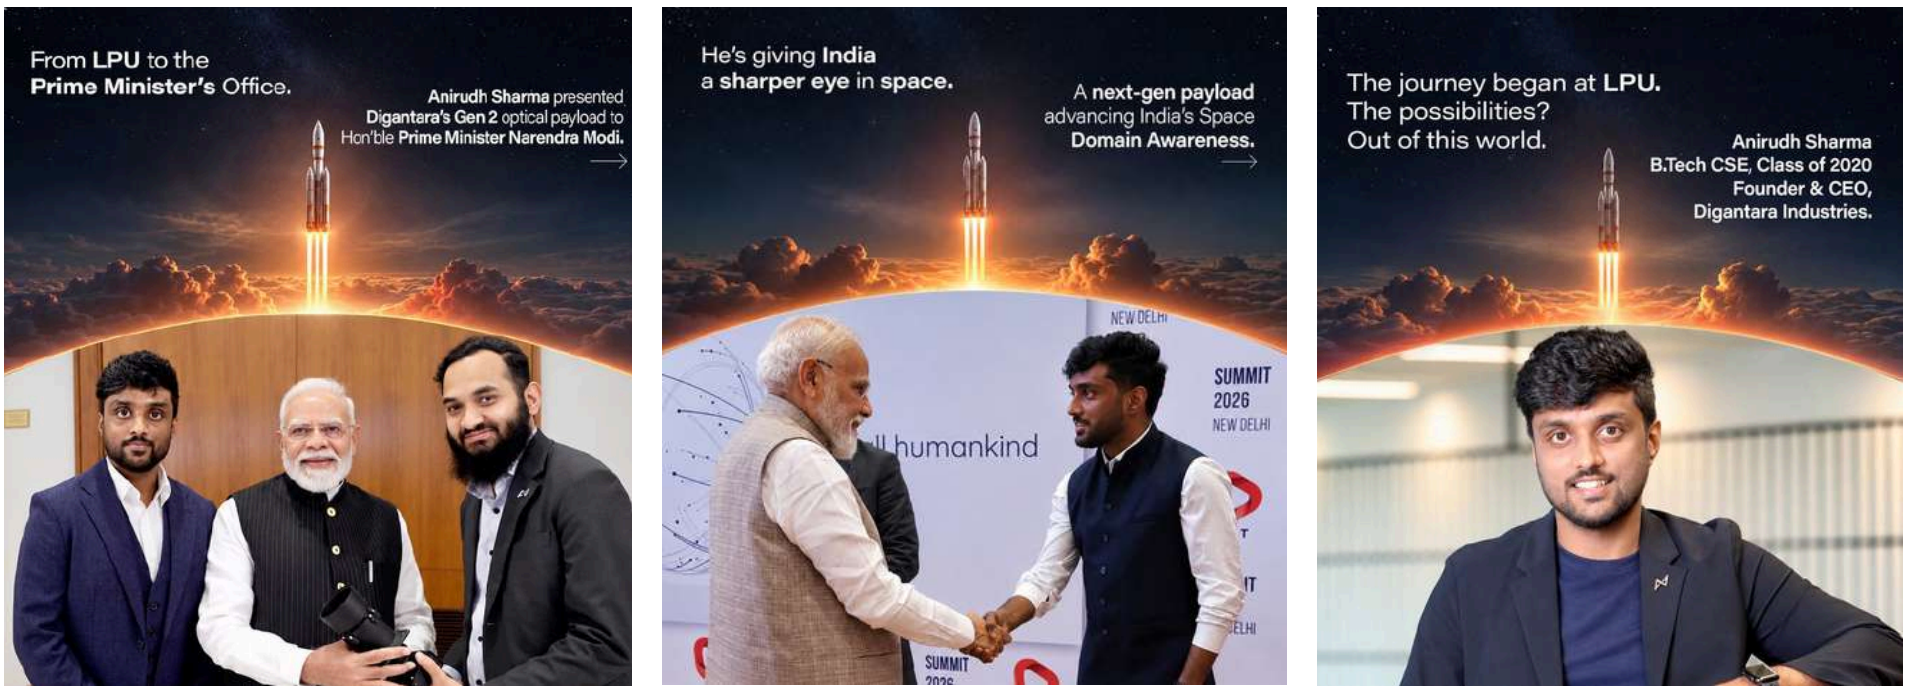

LPU's journey began in 2001 with a vision to make professional education more accessible and relevant. Over the past 25 years, that vision has grown into a university community of more than 35,000 students, with learners from over 70 countries. Its expansion across academic disciplines has been accompanied by a growing emphasis on practical experience, research, innovation and entrepreneurship.

The Foundation Day celebration placed the people behind this progress at its heart. The unveiling of the 25th Year Institution Symbol marked the milestone, while a special Staff Appreciation Award Ceremony honoured faculty and staff for their dedication. Recognition across teaching, research, administration, residential support and skills development acknowledged the many roles that contribute to university life.

From LPU to the Prime Minister's Office: Alumnus Anirudh Sharma's Space Innovation Takes Centre Stage

Our alumnus Anirudh Sharma, Founder and CEO of Digantara Industries, recently presented the company's Gen 2 optical payload to Prime Minister Narendra Modi. The moment marked a significant milestone in his journey from an LPU student to an entrepreneur working at the forefront of India's space technology sector.

The optical payload is designed to strengthen space domain awareness by helping monitor objects and activity in orbit. Through innovations such as this, Digantara is working to address the growing need for better information about the space environment.

Anirudh's achievement is a proud moment for the LPU community. It reflects the potential of ideas developed with curiosity and ambition to grow into work with an impact far beyond the campus.

For today's students, Anirudh's journey is a reminder that ambitious ideas can lead to meaningful work. His progress from LPU's classrooms to a meeting with the Prime Minister offers a compelling example of where determination and innovation can lead.

Maths'd Ayurveda: Turning Tradition into a Student Venture

For LPU students Devansh Kapoor, Muskan Verma, Heena Naik and Tirthanu Ghosh, an interest in Ayurveda became the foundation for an entrepreneurial venture. They began Maths'd Ayurveda with Chyawanprash and have since developed more products, growing their initial idea into a wider Ayurvedic range.

The team aims to make traditional wellness products relevant to today's consumers while retaining their Ayurvedic roots. Along the way, the students have gained experience in product development, presentation and sales. What started as an idea on campus has given them the opportunity to learn directly from customers and build a brand while pursuing their studies.

Selected among more than 390 projects and recognised with three awards for innovation and sales, Maths'd Ayurveda reflects the potential of student entrepreneurship at LPU. The team's journey shows how a first product can become the starting point for a much larger ambition.

From One Beehive to 70: Seujia's Sweet Success

For LPU agriculture student Kuldip Narayan Roy and his team, Seujia began with a single beehive and a determination to turn practical learning into a venture. While still studying, they expanded their work to 70 beehives and generated over ₹5.4 lakh in revenue.

Building Seujia meant learning far more than how to produce honey. The team gained experience in managing beehives, developing a product and bringing it to customers. As the venture grew, so did their understanding of what it takes to turn agricultural knowledge into a working business.

Their journey captures the spirit of LPU's EduRevolution: students applying what they learn, building something of their own and earning while they study. From a modest beginning, Seujia has become an example of how one practical idea can grow through persistence and enterprise.

From LPU's Kitchen to a Professional Culinary Career

For Sachin Songra, an LPU alumnus from the 2016–2020 batch, learning to become a chef meant gaining experience beyond textbooks. Practical training introduced him to the pace, discipline and teamwork of a professional kitchen, helping him build the confidence to pursue a career in hospitality.

Today, Sachin works as a Chef de Partie at Indian Essence by Atul Kochhar. In this role, he continues to refine his craft through the daily demands of preparing food to a professional standard. His journey from student to chef shows how hands-on learning can provide a strong foundation for the opportunities that follow graduation.

Sachin's story is a proud example for aspiring hospitality students at LPU: every skill developed through practice can become a step towards a career

From Campus to Career: LPU Students Make Their Mark

The journey from university to a professional career is an important milestone, and LPU students are making it count. B.Tech. CSE students Haider Ali, Aashi Parihar, Sayiam Arora and Arshdeep Singh each secured an offer of ₹14.50 LPA from Philips. Yash Kumar Gupta, from CSE/IT, received an offer of ₹32.50 LPA from Trilogy Innovations, while MBA student Aditya Narayan secured an offer of ₹40.86 LPA from Fortel.

B.Tech. CSE (Batch of 2026) student Chandini Gujju on securing a ₹29 Lakhs per Annum package at Blinkit, India's leading quick-commerce platform! Spanning the 2025 and 2026 batches, these achievements reflect the breadth of career paths LPU students are pursuing.

Industry Exposure & Expert Interactions

A Dialogue on Resilience and Ambition

At the RBI's Campus Dialogues event hosted at LPU, Shri Pankaj Setiya, General Manager, RBI Chandigarh, shared an encouraging message with students. Speaking about resilience, perseverance and the courage to envision a promising future, he urged them to think beyond immediate challenges and remain committed to their goals. The interaction gave students an opportunity to hear directly from a leader in the banking sector and reflect on the mindset needed to build their careers.

Lessons in Ambition and Purpose

LPU students had the opportunity to hear from Acharya Balkrishna, Managing Director of Patanjali Ayurved, as he shared his thoughts on ambition, perseverance and building a purposeful future. His address encouraged students to stay committed to their journey and pursue their goals with clarity and determination. The interaction added a valuable perspective to their learning beyond the classroom.

GEAR UP Season 5: Where Ideas Become Solutions

GEAR UP Season 5 brought LPU's student innovators together for a 36-hour challenge built around real-world problems. More than 6,000 students, working in over 900 teams, explored 200-plus problem statements across hardware and software domains. As LPU's internal gateway to Smart India Hackathon 2026, the event gave teams a platform to brainstorm, build prototypes and refine their ideas ahead of the national selection process. It was a strong example of how practical challenges can turn classroom learning into collaboration, creativity and purposeful innovation.

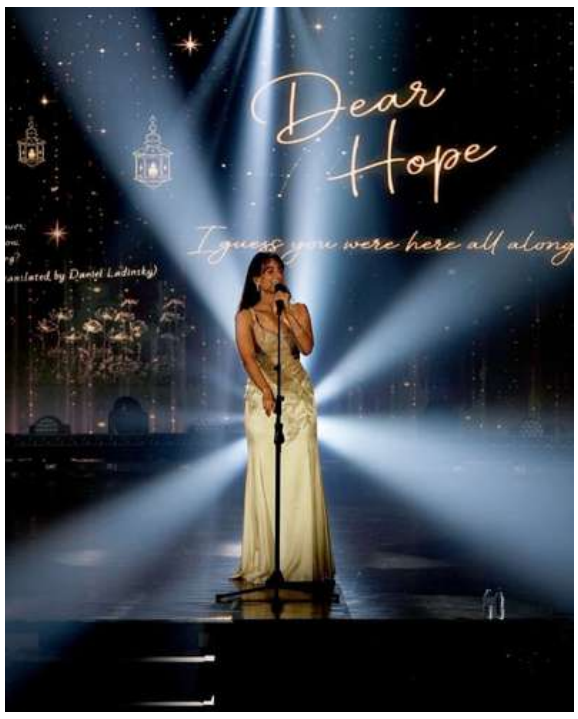

Freshmen Talent Search 2026: New Talent Takes Centre Stage

The Grand Finale of Freshmen Talent Search 2026 gave LPU's newest students, known as Vertos, a stage to share their abilities and express their creativity. Through music, dance, theatre and other creative showcases, participants brought their energy and confidence to an appreciative audience. The event offered freshers an opportunity to connect with the campus community and begin their university journey with a memorable experience.

The evening also featured a musical performance by Ipsitaa, while Chinki & Minki added humour and excitement to the celebration. Their appearances complemented the student performances and kept the audience engaged throughout the finale.

The programme concluded with an awards presentation recognising the winners. It was also a moment to celebrate every participant who had the courage to step onto the stage. More than a competition, Freshmen Talent Search 2026 highlighted the varied talents of LPU's incoming students and the lively campus community they are now part of.

LPU Celebrates Papua New Guinea's 51st Independence Day

LPU celebrated Papua New Guinea's 51st Independence Day with its students, bringing the country's colours and traditions to campus. The occasion gave Papua New Guinean students a chance to share their national pride and heritage with the wider university community. It reflected LPU's international spirit and the connections students build across cultures, even while far from home.

It was a meaningful moment of cultural connection and a reminder that, even far from home, students can celebrate the identities that shape them.

The Team of Tutt Paini English Ne Visits LPU

Welcomed Simi Chahal, Mandy Takhar, Simar Kaur and Satvinder Singh to campus as part of the promotion of their Punjabi film Tutt Paini English Ne. The artists experienced the warmth and enthusiasm of the Vertos firsthand, bringing a touch of Punjabi cinema to university life. The visitors also shared what made their time at LPU special. Their visit gave students a memorable opportunity to see the creative personalities behind the film and added another lively moment to the campus calendar.

From Campus to Centre Stage: Sehajdeep Singh on Sa Re Ga Ma Pa

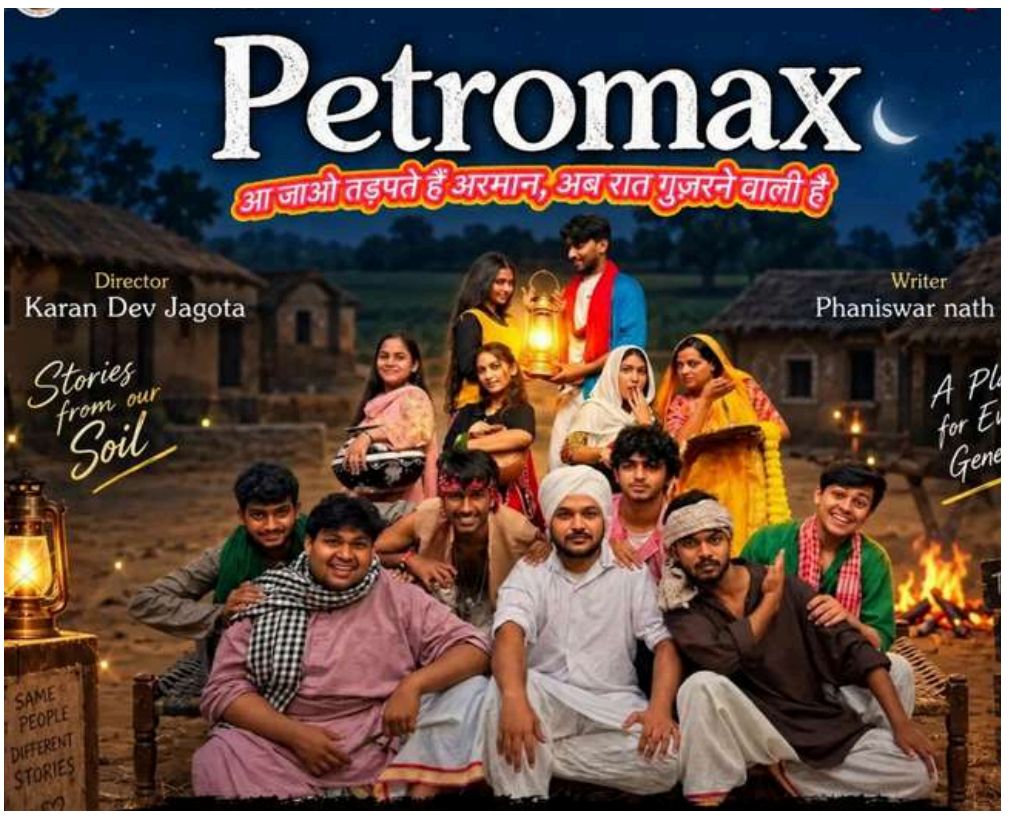

LPU student and national gold medallist Sehajdeep Singh has taken his musical journey to a wider audience with his appearance on Zee TV's Sa Re Ga Ma Pa. Associated with LPU's Division of Arts & Culture, he has captivated listeners with his soulful voice, evoking the warmth and sweetness of Jagjit Singh's musical style.

His progression from university performances to a national television platform marks a proud milestone for the LPU community. Sehajdeep's journey highlights the power of dedication and artistic expression, inspiring fellow students to nurture their talents and pursue opportunities beyond the campus.

Petromax: Illuminating Stories of Rural Life

Theatre Society presented Petromax on 19 September at the Uni Auditorium, bringing the emotions, relationships and dreams of rural life to the stage. Written by Phanishwar Nath Renu and directed by Karan Dev Jagota, the production combined humour and human connections through a story rooted in the simplicity of village life.

Organised by LPU Theatre Society, Division of Art & Culture, under the aegis of the Student Welfare Wing, the presentation offered student artists a platform to express their creativity and explore the art of storytelling through theatre.

Ganesh Chaturthi: Celebrating Devotion and Togetherness

Celebrated Ganesh Chaturthi with prayers, traditional aartis and vibrant festivities, bringing students together to welcome Lord Ganesha. Devotional chants and energetic dhol beats added to the occasion, filling the campus with joy and festive spirit.

The celebration united students from diverse backgrounds through shared traditions and cultural participation. Honouring Lord Ganesha as a symbol of wisdom, prosperity and new beginnings, the occasion reflected the university community's spirit of togetherness, hope and positivity.

A Stylish Start: School of Fashion Welcomes Freshers

School of Fashion welcomed its new students with Freshers' Party 2026, celebrating creativity, talent and individuality. The vibrant occasion brought students together, offering a memorable beginning to university life and an opportunity to build new friendships.

Love Sahota and Pratiksha Patnaik were named Mr. Fresher and Miss Fresher 2026, respectively. Shivam Singh and Kavya Gupta received the Mr. Charisma and Miss Charisma titles, while Arghya Das and Taniya Chandel were recognised as Mr. Personality and Miss Personality. The celebration captured the enthusiasm of a new batch ready to explore, express and grow.

School of AI and Emerging Technologies Celebrates Jashn-E-Aarambh 2026

School of AI and Emerging Technologies welcomed its freshers with Jashn-E-Aarambh 2026, an evening celebrating talent, style and new beginnings. The event brought students together in a spirited atmosphere, creating opportunities for friendship and memorable experiences.

Abhijeet and Harman were named Mr. Fresher and Ms. Fresher 2026, respectively. Jai and Harshita received the Mr. Personality and Ms. Personality titles, while Rohan was recognised as Mr. Handsome and Lagan as Ms. Princess. Vanshika received a consolation award, completing a celebration of student individuality and enthusiasm.

School of Physical Education Welcomes Freshers

School of Physical Education celebrated Freshers' Party 2026 with talent, enthusiasm and togetherness. Manjeet Singh and Khushi Rana were crowned Mr. Fresher and Ms. Fresher 2026, respectively. The celebration marked a cheerful beginning to university life, filled with new friendships and memorable moments.

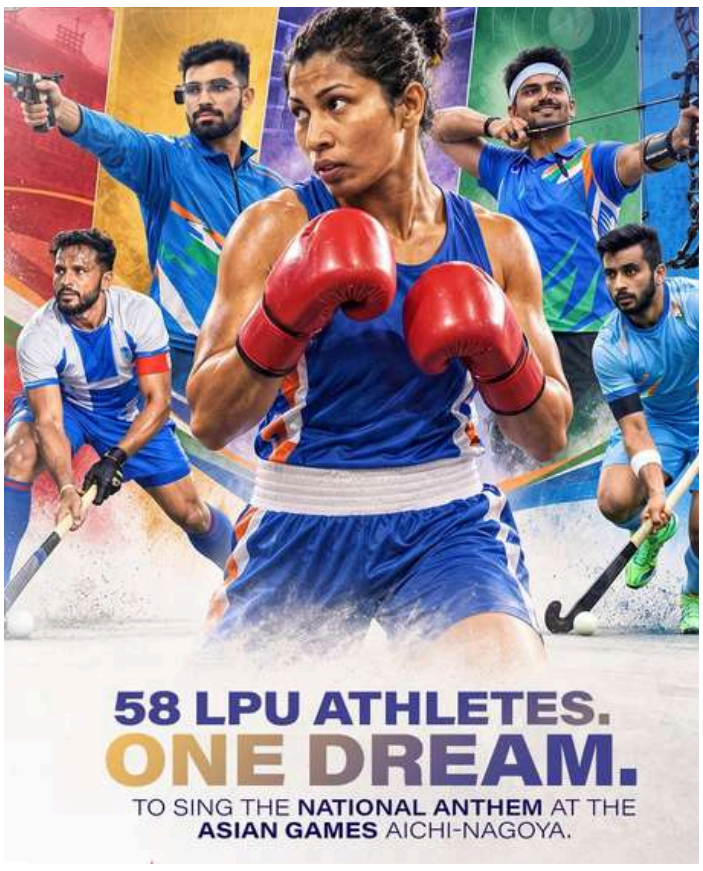

School of Education Welcomes Freshers

School of Education celebrated Freshers' Party 2026 with enthusiasm, talent and togetherness. Abinash Das and Janvi were crowned Mr. Fresher and Miss Fresher 2026, respectively. The celebration offered a warm welcome to the new batch, marking the beginning of new friendships and memorable campus experiences.

58 Athletes. 12 Sports. One National Dream.

58 Student-athletes from Lovely Professional University are representing India at the 20th Asian Games 2026 in Aichi–Nagoya, Japan. Competing across 15 sports, their participation marks a significant milestone in LPU's sporting journey.

Among them are archers Taniparthi Chikitha and Bomma Devara Dhiraj, cricketer Ishan Kishan, shooters Elavenil Valarivan and Neeru, boxer Preeti, athlete Dharamveer Chaudhary and hockey player Harmanpreet Singh. Each brings years of preparation and the determination to perform at the highest level.

Their journey reflects the discipline needed to pursue sport alongside education. United by the ambition to bring glory to India, these athletes carry national hopes and university pride onto the international stage.

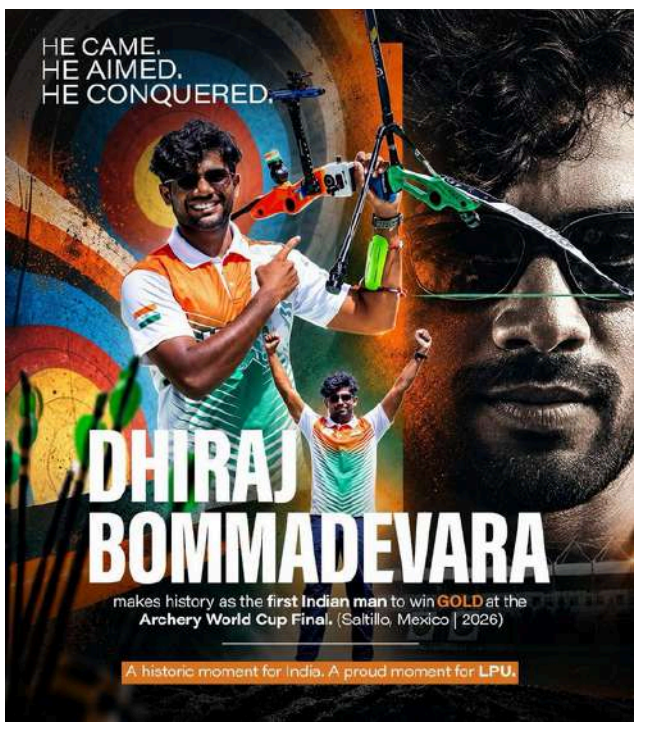

As they take their place on the Asian Games stage, these athletes carry the pride of their university and the hopes of the nation. United by the dream of seeing the Indian flag rise and hearing the National Anthem play, they offer an inspiring example to the next generation of student-athletes.

Dhiraj Bommadevara Strikes Historic Gold

LPU student Dhiraj Bommadevara made history by winning the men's recurve title at the 2026 Hyundai Archery World Cup Final in Saltillo, Mexico. His victory made him the first Indian male recurve archer to claim the prestigious title, marking a proud moment for India and the university.

In a closely contested final against Japan's Junya Nakanishi, Dhiraj fought back from behind twice to force a decisive shoot-off. Holding his nerve under pressure, he delivered a winning 10 to secure gold. His performance demonstrated the precision, resilience and composure required to succeed at the highest level of international archery.

For LPU's student community, his achievement stands as an inspiring example of sustained dedication and sporting ambition. It celebrates an athlete whose determination carried him to a historic place on the world stage.

Precision and Pride: LPU Shooters Secure Asian Games Silver

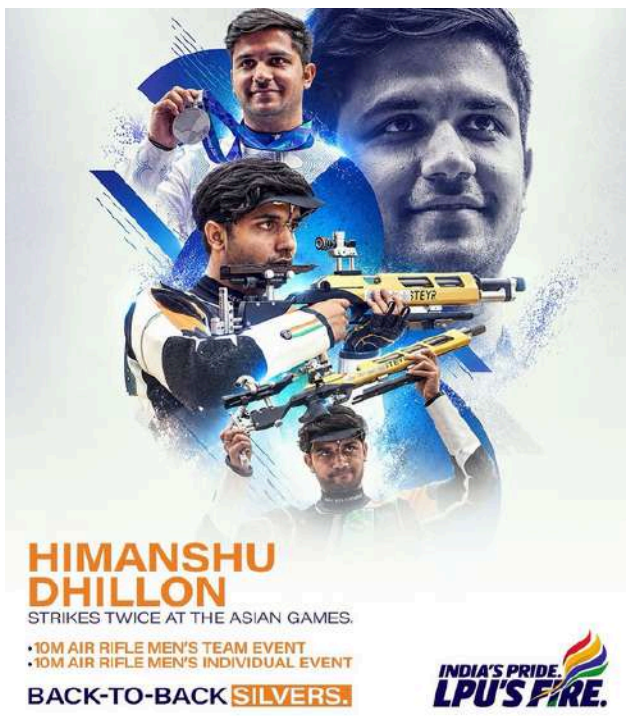

Three LPU shooters brought pride to India and their university by securing silver in the women's 10m air rifle team event at the 20th Asian Games 2026 in Aichi–Nagoya, Japan. Their collective achievement highlighted the precision, consistency and composure that competitive shooting demands.

The medal marks a memorable milestone in their sporting journeys and adds to LPU's presence on the international stage. Their success offers an inspiring example of how individual dedication and a shared goal can come together to achieve excellence.

Twice on the Podium: Himanshu Dhillon Secures Two Silvers

Student Himanshu Dhillon delivered a memorable performance at the Asian Games, securing silver medals in both the men's 10m air rifle team event and the men's 10m air rifle individual event. His double podium finish brought pride to India and the LPU community, marking a significant achievement in his sporting journey. Success across both events reflects the precision, consistency and composure that competitive shooting demands. While the team medal celebrated a collective effort, his individual silver highlighted his ability to perform under pressure on the international stage. Himanshu's achievement adds to LPU's sporting accomplishments and offers an inspiring example for aspiring athletes, demonstrating how dedication and sustained effort can translate into success at the highest levels of competition.

Rowing to Glory: Satnam Singh and Salman Khan Claim Bronze

Our students Satnam Singh and Salman Khan brought pride to India by securing the bronze medal in the men's double sculls at the Asian Games 2026 in Aichi–Nagoya, Japan. Their podium finish marked a memorable achievement for the pair and a moment of celebration for the LPU community.

Competing in an event that demands endurance, precision and close coordination, the duo demonstrated the strength of a shared effort. Their success highlights the importance of trust and teamwork, with every stroke contributing towards a common goal.

The bronze medal adds to LPU students' achievements on the international sporting stage. For aspiring athletes, Satnam and Salman's accomplishment serves as an encouraging example of the dedication and collaboration required to represent the nation with distinction.

A Golden Finish: Kamaljeet Triumphs at the Asian Games

LPU's Kamaljeet secured gold for India in the 10m air pistol mixed team event at the Asian Games 2026 in Aichi–Nagoya, Japan. The achievement, accompanied by an Asian-record score of 484.6, marked a memorable milestone in his sporting journey and brought pride to the university community.

Success in mixed team shooting demands individual accuracy alongside close coordination and consistency. Kamaljeet's contribution to the gold-medal performance highlighted the focus and composure required to compete on the international stage.

His accomplishment adds to the achievements of LPU athletes representing India and offers encouragement to aspiring sportspersons. It is a celebration of sporting excellence and the dedication needed to turn ambition into a podium finish.

Fresher Sports League 2026: Where Champions Rise

The Fresher Sports League (FSL) 2026 brought LPU's newest students together for a celebration of sporting talent, teamwork and campus spirit. Held from 3 to 30 September 2026, the league featured competitions across basketball, cricket and football, giving freshers opportunities to represent their teams and connect with fellow students.

Organised by the Uni Sports Council under the Division of Sports, Student Welfare Wing, the league encouraged healthy competition and sportsmanship. Beyond the scores, FSL created a platform for students to build friendships, develop confidence and make memorable beginnings to their university journey.

LPU NSS NCC

LPU–NSS Unit Ekansh organised a Legal Aid Awareness Programme on 26 September 2026 in its adopted village, Khajurla, Punjab. The initiative informed residents about basic legal rights, access to justice and available legal assistance, helping community members understand their rights and sources of support.

UNITY IN DIVERSITY: EBSB CAMP 2026

LPU hosted the Ek Bharat Shreshtha Bharat Camp from 14–25 September 2026, organised by 9 Punjab Battalion NCC, Amritsar. Around 450 NCC cadets from the Punjab, Haryana, Himachal Pradesh and Chandigarh Directorate and the Bihar and Jharkhand Directorate came together for cultural programmes, sports, quizzes and awareness sessions. The camp promoted national integration, cultural exchange and camaraderie, celebrating the diversity that unites India.

RAISING AWARENESS, INSPIRING BLOOD DONATION

NSS volunteers organised a blood donation awareness rally in Phagwara to highlight the importance of voluntary blood donation and encourage community participation. The initiative informed residents about the need for regular donations and urged more individuals to step forward as responsible donors. Reflecting the NSS spirit of service and social responsibility, the rally encouraged people to turn awareness into action. Volunteers reinforced the message that every donation can offer hope to someone in need, making community involvement essential to this lifesaving cause.

EDITOR'S NOTE

This September

Dear Readers,
As we step into September, we welcome an opportunity to reflect on our progress and approach our aspirations with renewed purpose. This month invites us to stay curious, embrace fresh perspectives and turn ideas into meaningful action.
Amid our pursuits, let us make time for friendships, well-being and the joy of learning. Growth lies in our achievements and in the courage to try, adapt and persevere.
As Editor, I encourage you to approach September with ambition, compassion and an open mind. May it be a month of discovery, thoughtful choices and steady progress.
