LOVELY SCHOOL OF
ARCHITECTURE & DESIGN

VISION

To be a premier academic institution in architecture and planning, fostering holistic design thinking, creativity, and innovation. We strive to cultivate strong industry connections, entrepreneurship, and leadership, while achieving excellence in research and enabling proficiency in technological skills. With a commitment to sustainability, we aim to empower future professionals to create transformative, resilient, and impactful solutions for our built environments.

MISSION

- Transforming education with rigorous studio culture for nurturing student's design thinking, creativity and sustainability concerns under the guidance of experienced regular and visiting faculty.
- Establishing connect with the industry for research training, career development and knowledge sharing in particular with construction sector.
- Revolutionising education by incorporating practical and experiential learning through internships and live projects, throughout the program.
- Undertaking meaningful research to address local, national and global challenges.
- Making ethically competent professionals who are responsible, empathetic and humble aiming to design for a better world.

LETTER FROM THE EXECUTIVE DEAN, AND HEAD OF THE SCHOOL (LSAD)

Dr. (Ar.) Atul Kumar Singla

B. Arch., S.P.A., New Delhi
M.A., EmTech., AA School, London
Master in Urban Planning
Ph.D., S.P.A., New Delhi

Chief Architect, Executive Dean, LPU
Chief Architect, IDEARCH

It is my pleasure to welcome you to the Lovely School of Architecture and Design (LSAD), where we are dedicated to shaping the next generation of architects and designers. At LSAD, we foster academic excellence and creativity, equipping students with the knowledge and skills to excel in the dynamic field of architecture and design.

Architecture goes beyond designing spaces-it is a multidisciplinary field that enables exploration into innovation, artificial intelligence, and cutting-edge research. Our programs are thoughtfully aligned with Sustainable Development Goals, focusing on energy-efficient and climate-responsive design, sustainable urban planning, and advanced architectural practices.

Our curriculum emphasizes experiential learning through studio projects, site visits, and internships, ensuring students gain hands-on experience and practical knowledge. This approach enables them to master the complexities of architectural design, from initial conception to execution, while developing technical expertise and critical problem-solving skills.

At LSAD, we encourage a forward-thinking mindset, empowering students to address societal challenges and improve quality of life through thoughtful and sustainable design. With guidance from our experienced faculty, students are prepared to embrace innovation and adapt to emerging technologies, positioning themselves as leaders in the architectural field.

We invite you to embark on an exciting journey at LSAD, where you will acquire the vision to shape a better future through design and architecture.

ABOUT LPU

LOVELY PROFESSIONAL UNIVERSITY (LPU)

Is one of India's largest and most prestigious educational institutions, set on a sprawling campus of over **600 acres** and hosting a vibrant community of over **30,000 students** from more than **50 countries**. With a steadfast commitment to academic excellence, **LPU offers a comprehensive portfolio of over 150 programs across diverse disciplines, including Engineering, Business, Architecture, Hospitality, Fashion, Law, Multimedia, Arts, and Sciences**. LPU fosters an engaging learning environment through experiential learning, empowering students to excel academically, pursue research and innovation, and embark on entrepreneurial ventures. It also boasts of an impressive placement record across various disciplines. LPU's dedication to quality in education is reflected in its **NAAC A++ accreditation** and impressive rankings: **4th amongs the top innovative Universities in India (WURI 2024), 20th in India and 672nd globally by QS World University Rankings (2024), and 25th by Times Higher Education (2024)**. Additionally, it ranks **27th overall in India by National Institutional Ranking Framework (NIRF) 2024**.

ABOUT LSAD

LOVELY SCHOOL OF ARCHITECTURE AND DESIGN (LSAD)

Is a top-ranking institution in India, holding the **24th position in the National Institutional Ranking Framework (NIRF) for 2024, as per Ministry of Education, Government of India**. The school has earned accreditation from the Council of Architecture (COA) in India, which recognizes the institution's commitment to providing high-quality education.

One of the reasons the school is so highly regarded is its **strong studio culture and access to the latest technology and tools**. Students have ample opportunities to engage in hands-on experiences through regular field visits and experiential learning activities. **The school has also established connections with industry leaders through guest lectures, workshops, internships, and live projects.**

Overall, LSAD provides a top-notch education that prepares students for success in the field. **With its focus on practical experience, access to the latest technology, and strong industry connections**, graduates are well-positioned to excel in the competitive world of architecture and design.
