

INFORMATION BROCHURE

LPU becomes the first & only private university of the country to host Sh. Narendra Modi, Hon'ble Prime Minister of India

Our profound gratitude to the Hon'ble Prime Minister, Sh. Narendra Modi, for his visit to LPU, which was historic in ways more than one.

It was during his visit to inaugurate the 106th Indian Science Congress at LPU that the Hon'ble Prime Minister added 'Jai Anusandhan' to the historic slogan, 'Jai Jawan, Jai Kisan, Jai Vigyan'.

LPU dedicates itself to the vision of our Prime Minister and commits wholeheartedly to strive for enabling India to be on the forefront of Scientific Research, Innovation and Entrepreneurship.

**“Jai Jawan
Jai Kisan
Jai Vigyan
Jai Anusandhan”**

Three Nobel Laureates bury the Time Capsule on LPU campus to preserve it for 100 years

Hon'ble Prime Minister, Shri Narendra Modi and LPU Chancellor & Member of Parliament, Rajya Sabha, Dr. Ashok Kumar Mittal, greeting all attendees at 106th Indian Science Congress

Sh. Narendra Modi, Hon'ble Prime Minister of India with LPU Chancellor & Member of Parliament, Rajya Sabha, Dr. Ashok Kumar Mittal; Dr. Harsh Vardhan, Minister of Science & Technology; and, Mr. V.P. Singh Badnore, Governor of Punjab at LPU Campus

LPU: Starting the Education Revolution

The World Has Changed. Education Hasn't. Until Now.

For centuries, revolutions have **reshaped industries, economies, and nations**. The Industrial Revolution transformed how we work, the Agricultural Revolution changed how we eat, and Political Revolutions gave us independence. But education has remained the same for hundreds of years stuck in rigid classrooms, measured by outdated exams.

LPU is breaking this cycle.

We are not just **adapting** to change - **WE ARE STARTING IT !**
As one of **India's top-ranked universities**, globally recognized by **Times Higher Education**, World University Ranking and accredited with the highest **NAAC grade**, **WE ARE REDEFINING EDUCATION.**

Be a part of LPU's Edu-Revolution

50% of learning may happen outside the classroom, inside the industry, and on real-life projects, in a gamified way.

Students may earn up to 50% of Grades and 50% Attendance based on their achievements outside the classroom.

Students may earn equivalent to their fees through marketing, sales, freelancing, start-ups, trading, e-commerce, or consulting.

Students play an active role in shaping university academic policies & decision making.

#Edu-Revolution

One of the Nation's
Leading Universities
in Sports Excellence

1st Runner-Up in **Maulana Abul Kalam Azad (MAKA) Trophy 2024 (Two times consecutively).**

24 LPU students participated in the **Paris Olympics 2024**. 21% of the Indian Olympic Contingent was from LPU.

14 LPU students represented India at **Paralympics 2024** and won **1 Gold & 2 Silver Medals**.

40 LPU students participated and won 12 medals including **4 Gold, 4 Silver** and **4 Bronze** in **19th Asian Games 2022**.

4 Medals - **1 Gold** and **3 Bronze Medals** at the **World University Games 2024**.

1st Runner-up at **Khelo India University Games two times** in 2023, 24.

100⁺ Medals in various International Sports Events.

1100⁺ Participation in various National Sports Events.

LPU CREATES HISTORY IN SPORTS

First Runner-Up **MAKA Sports Trophy** for two consecutive years **2024 & 2023**, with students winning Major **Dhyan Chand Khel Ratna** and **Arjuna Award**

Government of India's Ministry of Youth Affairs & Sports announced LPU as recipient of First Runner- up Maulana Abul Kalam Azad Sports Trophy- 2024 for its supremacy in sports again for the second time.

LPU becomes the first private institution to claim MAKA Tropy for two consecutive years, a feat unmatched since 1956.

Harmanpreet Singh received the **Major Dhyan Chand Khel Ratna**, while **Sukhjeet Singh** and **Jarmanpreet Singh** were awarded the **Arjuna Award** for their contributions to Hockey at Rashtrapati Bhawan, New Delhi.

1st Runner Up in **Khelo India University Games(Two Times)**

LPU won the Overall Runners Up Trophy at Khelo India University Games (2023 & 2024) among all the participating universities with **20 Gold Medals, 14 Silver Medals** and **8 Bronze** Medals.

24 LPU students participated in the Paris Olympics 2024 which was 21% of the Indian Olympic contingent.

Among these athletes, **9 earned medals**, including **Neeraj Chopra's** historic **Silver** in Men's Javelin Throw, and **8 hockey players** secured a **Bronze**.

14 LPU students represented LPU's excellence extended to the Paralympics, where they claimed 1 gold and 2 silver medals

LPU students demonstrated exceptional excellence at the Paralympics, winning a total of **3 Medals**, comprising **1 Gold** and **2 Silver**. Sumit Antil, clinched the **Gold Medal** in the Men's Javelin Throw while Yogesh Kathuniya and Nishad Kumar won the **Silver Medal** in Men's Discus Throw and High Jump respectively. These achievements underscore LPU's unwavering commitment to fostering sporting excellence and nurturing talented athletes.

In Tokyo Olympics 2020, 13 out of 14 LPU students won sparkling Olympic medals for India - **1 Gold, 1 Silver & 2 Bronze**.

LPU Student **Neeraj Chopra** was the **only Gold Medalist of India**. Paralympian **Nishad Kumar** won the **Silver Medal**. LPU students **Bajrang Punia** & **Indian Hockey Team** including Captain **Manpreet Singh** also won **2 Bronze Medals!**

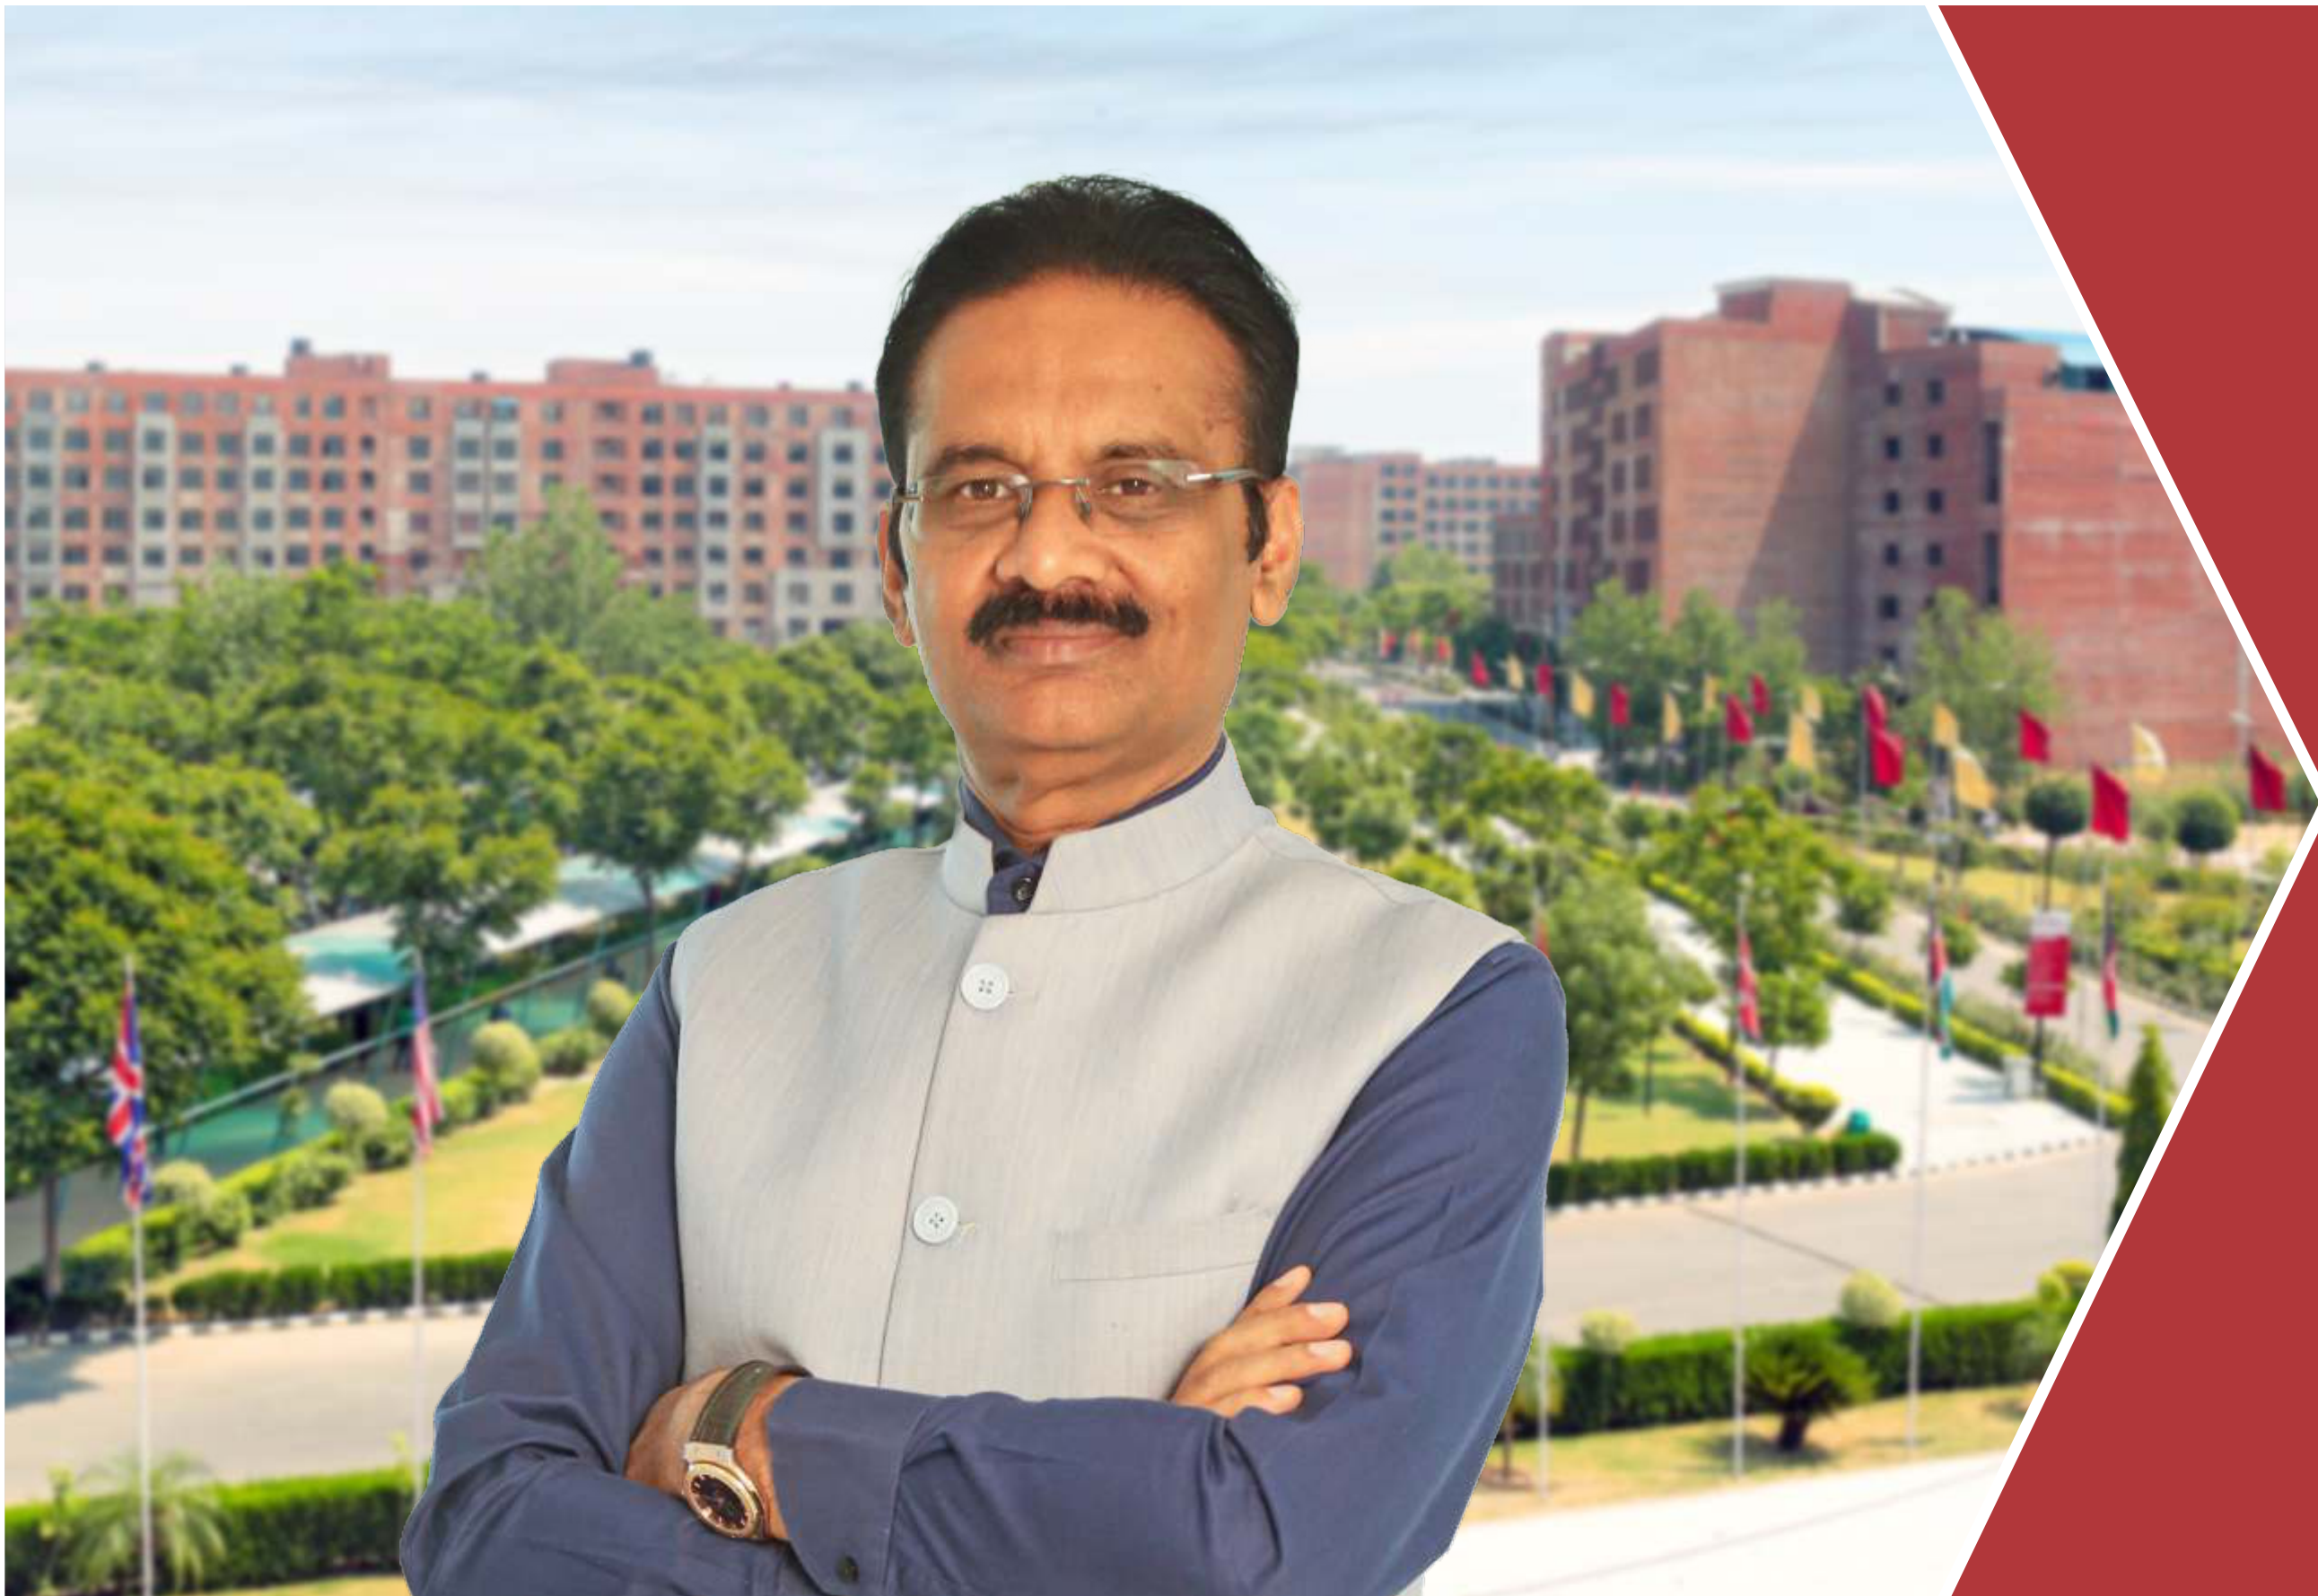

Late Shri Baldev Raj Mittal
(1931-2004)

FOUNDER CHAIRMAN
LOVELY GROUP

Late Shri Baldev Raj Mittal, the Founder Chairman of Lovely Group, remained an entrepreneur par excellence throughout his life. His ability to translate his dreams into reality elevated his vision & made him a visionary. His initiative, perseverance, resourcefulness, and tenacity to overcome overwhelming odds made him, in his very lifetime, a living icon of success. The heights gained by the Lovely Group bear testimony to his tireless efforts, indomitable will, and strong sense of commitment to his ideals and goals.

His deep faith in the dictum “Paying back more than what we are paid” is a treasured legacy which will always continue to inspire and guide us. This cherished conviction of the Founder Chairman became the cornerstone of Lovely Professional University. Our presence in the education sector is a humble tribute to perpetuate his quintessential existence.

His words evoke fond remembrance and are always a source of inspiration for all of us.

Dr. Ashok K. Mittal
LLB, PhD (h.c.)
Founder Chancellor
Member of Parliament (Rajya Sabha)

Founder Chancellor's Message

For two decades, LPU has been at the forefront of educational transformation. What began as a vision has evolved into a movement—one that challenges traditional norms and dares to ask: Why should education remain static in a world that never stops evolving? Industries are creating jobs that didn't exist yesterday. Entrepreneurs are reshaping economies. Athletes are breaking records. Researchers are pushing boundaries. Can we afford an education system that remains untouched?

At LPU, we've gone beyond asking—we've acted. Gamification of learning isn't a buzzword here; it's our new reality. Imagine not just earning a degree but building a portfolio that speaks volumes. Picture learning that doesn't just teach about industries but immerses you in them. Envision a grading system that evaluates how boldly you live your education, not just how you perform in an exam hall.

This isn't just a change, it's a revolution. And revolutions aren't won alone. They need dreamers, doers, and trailblazers. So, the question isn't whether LPU is ready. The real question is, Are you?

Dr. Rashmi Mittal
MA (Eng.) PhD (h.c.)
Pro-Chancellor

Pro-Chancellor's Message

At Lovely Professional University, education goes beyond acquiring knowledge, it is about transforming lives and shaping a better future. We have built a dynamic academic ecosystem that blends cutting-edge technology, interdisciplinary learning, and real-world problem-solving, ensuring our students are prepared for the challenges of a rapidly evolving world. Our commitment to holistic development nurtures not just skilled professionals but also socially. responsible citizens and visionary leaders.

With AI-powered education, hands-on experience, collaborative learning, and mentorship from global experts, we empower students to innovate, lead, and create meaningful global impact. By fostering a culture of innovation and responsibility, we inspire individuals to shape industries, influence societies, and drive positive change. At LPU, we don't just educate - we ignite potential, instill purpose, and champion a future where learning transforms both individuals and communities.

Prof. Dr. Jaspal Singh Sandhu
MBBS, MS (Ortho), DSM, FASM, FAFSM, FPAS, FAIS,
FFIMS, FAMS, FRCP (London), DSc (h.c.)
Vice Chancellor

Vice Chancellor's Message

At Lovely Professional University (LPU) we are revolutionizing education by integrating gamified learning and empowering students to craft their own path of learning thereby making knowledge acquisition/education more engaging, interactive, and impactful. We are dedicated to cultivating visionary leaders, ground-breaking entrepreneurs, and skilled professionals poised to make a global impact.

Our world-class education seamlessly fuses avant-garde research with immersive, hands-on experiences, empowering our students to think boldly, act decisively, and lead with purpose. Our vibrant campus is a melting pot of diverse talent, offering an extensive range of programs meticulously designed to meet the ever-evolving demands of the global arena.

The rays of ochre light in the LPU seal symbolize the dawn that dispels darkness of ignorance and ushers in knowledge through education and research.

The seal also reinforces our resolve to become the Sun of Knowledge that will illuminate, ignite, energize and empower people across the globe.

Vision

To be a premier academic institution, recognized internationally for its contribution to industry and society through excellence in teaching, learning, research, internationalization, entrepreneurship and leadership.

Mission

- To transform education through academic rigour, practical orientation and outcome based teaching.
- To develop and implement a relationship of cooperation between industry and academia.
- To undertake impactful research addressing local, national and global challenges.
- To prepare graduates to be lifelong learners with strong analytical and leadership skills.
- To develop global professionals and entrepreneurs with innovative spirit, tolerance and desire to make a difference to the society.

Lovely Professional University is a secular university committed to fulfilling its mission without discrimination on the basis of race, colour, religion, gender or other such grounds.

DISCLAIMER

This Prospectus of the Lovely Professional University (LPU) contains a brief snapshot of the university capturing inter alia its vision, milestones, achievements, rankings, research contributions, innovation ecosystem, sports excellence, cultural diversity, infrastructure, campus life, and overall student experience. It aims at presenting the spirit, scale, and spectrum of LPU through carefully curated pictures, infographics, facts and statistics.

While efforts have been made to ensure the accuracy of the information published in the prospectus however the university doesn't give any assurance about any content/information to be error free and will not assume any liability arising or for any hardship, expenses, loss etc. suffered/incurred by anyone on that account. Some data or visuals may be subject to misprints or may become outdated due to ongoing developments and enhancements at the university. Applicants and other readers are strongly advised to refer to the official LPU website (www.lpu.in) for the latest and updated information before making decisions related to admissions in the university or any other purpose whatsoever.

Information published in the prospectus must be read in conjunction with any supplements, updations, corrigendum, rectifications or clarifications etc. issued by the University from time to time through its website or newspaper or official communication channels. The University reserves the right to modify, update, rectify, insert, or withdraw any content/ information given in the prospectus in whole or in part(s) at any time without any notice as and if deemed necessary. No responsibility will be accepted by the University for any direct or indirect hardship or expense or loss etc. whatsoever incurred by or caused to the applicants or any other person on account of such modifications, updations,, insertion, withdrawal, change etc. under any circumstances no matter how they are caused.

Without prejudice to the above, LPU does not take any responsibility for any information obtained by applicant or any other person from any third-party website(s), blogs, search results, chat forums, verbal or online or written inquiries, or social media or any source other than information published in university prospectus or website and for the actions of the applicants or other can caused on the basis of such information and shall not assume any obligation or liability for the same in any manner whatsoever under any circumstances at any stage.

In the event of any dispute related to any content or information published in this university prospectus or university website or elsewhere published by the university and/or related to the university matters not covered therein, the decision of the competent authority of the University shall be final and binding on all. The courts of District Kapurthala shall have exclusive jurisdiction over all disputes arising in relation to any matter concerning this university in any respect.

Diversity & Global Outlook

Diversity of Students & Faculty

With 30000+ students from 40+ countries and all the states of India, LPU surely has one of the most diverse student community in the country. This diversity, though purposefully targeted to provide an international environment, has evolved out of LPU's overriding concern for pursuing global standards in teaching-learning, student facilitation & infrastructure.

Students enjoy first-hand experience of global cultures, which not only makes them tolerant to diversity of thought & culture but empowers them to celebrate diversity and develop a global outlook all around.

The diversity of backgrounds enriches the interaction within and outside the classrooms & exposes students & faculty to a wide variety of perspectives, which contribute to the development of cosmopolitan outlook.

The resultant comfort with diversity also prepares students for exploring global opportunities, which is evident from the presence of LPU alumni in all parts of the world & with the best of the corporates. Bringing various cultures together makes LPU a truly global university.

Proudly Indian, Truly Global!

100s of LPU Alumni working in MNCs across US, Canada, UK and Australia at the packages of over **₹1 Crore**

TWO THIRDS OF THE WORLD IS COVERED BY WATER.
THE REST BY LPU ALUMNI

Thousands of LPU alumni are working with top companies, across multiple geographic locations worldwide, including Google, Microsoft, Amazon, GE, Adobe, Bosch & the top companies in India. It is indeed gratifying for the University to note the impact that its alumni are making in their respective organizations & the kind of pay packages they are drawing for their efforts & initiatives. LPU alumni have swelled to such numbers in countries like USA, UK, Canada, Australia and some other prominent developed countries, that they have formed LPU Alumni Chapters & Associations, where they regularly meet to share ideas and celebrate mutual success.

Personal growth of the alumni & their guidance to the successive batches is serving as a source of great inspiration for the LPU students. After securing admission, it is a unique opportunity for all LPU students to connect to such industry and domain experts through the extended family of LPU Alumni. This Diaspora of LPU Alumni not only benefits LPU students by sharing their vast knowledge, versatile experience and domain expertise, but also serves as a first hand link to the corporate world and to global giants. This rich legacy not only opens doors of the corporate world for LPU students, but also enables faculty to keep updating the curriculum of academic programmes on the basis of regular alumni feedback.

Lovely Faculty of Technology & Sciences (LFTS)

Faculty of Technology and Sciences has developed one of the best & cutting edge curricula for Engineering, Sciences and Technology programmes with active involvement of the industry, the hallmarks of which include focus on experiential learning, live projects, tinkering labs, provision for minor specializations, blended learning through MOOCs, a variety of pathways as per the career goals of students & evaluation of projects by industry professionals. Experienced faculty with research orientation uses innovative & unique student centric pedagogy aimed at ensuring application of concepts at the workplace.

The students are carefully groomed to be 'Concept-Smart Technocrats' and ace professionals, capable of delivering technically viable, economically feasible and socially acceptable solutions to the problems faced by the industry in particular & the society in general.

Workshop that inspires innovation

Inside a State of the art Lab

Lovely Faculty of Business & Arts (LFBA)

The bouquet of professional and creative programs in LFBA focus on technology orientation, global perspectives, rigorous experiential learning and practical application of the concepts. The innovative curricula of various disciplines are designed with the participation of industry & all other stakeholders to ensure relevance and regular updation.

The latest global trends & practices, case studies & simulations, industry relevant technology & skills and live projects relating to the industry or the society are used by experienced faculty, in order to optimize student exposure and employability. Each programme is designed to challenge students' analytical skills & creativity to effectively handle real-world situations. This prepares them to succeed in any competitive and dynamic work environment, anywhere in the world. Regular interaction with the industry professionals, interdisciplinary exposure and support of LPU's Start-up School is provided to nurture entrepreneurial ambitions among students, which has resulted in numerous start-ups on the campus. Freelancing by students is encouraged and supported because of which students are able to earn handsomely through a variety of offline and online projects. The highest standards of integrity and ethics are practiced to groom global citizens who have the capabilities and values to make a mark in professional as well as personal life.

Lovely Faculty of Applied Medical Sciences (LFAMS)

The modern world is exposed to new hazards; however it is also witnessing a new zeal for research in healthcare to find out ways to combat the same, while promoting overall human health. LFAMS faculty, with industry background and research rigour, have successfully launched numerous live collaborative research projects with industry. They have also filed & published numerous patents and a large number of publications in high impact research journals. Consequently, the Pharmacy School has earned 18th rank in research in the NIRF rankings 2024 by MHRD, Government of India. Three physiotherapy clinics with a good footfall of patients provide hands on exposure for clinical work, which helps students to hone up their professional skills. The entire endeavour, combined with State of the art Labs for Pharmacy, Physiotherapy and Medical Lab Sciences, Animal House and Herbal Garden, has resulted in excellent placements. Alumni of LFAMS from undergraduate, post graduate, doctorate and diploma programmes are making their mark at both national and international level.

The Academic Advantage

The Core of Learning: Our Curriculum and Hands-On Teaching Approach

The essence of our educational journey is a comprehensive curriculum and experiential pedagogy that shape the student experience. Our programmes feature internationally benchmarked, industry-driven curricula that are innovative, flexible, and highly integrated with real-world applications, industry trends, and interdisciplinary learning.

Through a blend of challenge and engagement, our pedagogy includes transformative learning experiences for each and every student. We maintain an ongoing connect with industry to gather valuable feedback, enabling us to continuously adapt and refine our curricula. This ensures our students remain well-equipped with a competitive edge in an increasingly dynamic world.

Students receive recognition, relevant academic equivalence, and holistic development through active participation in the following:

- **Building** Real-Life Projects
- **Participating in** Technical Competitions/Hackathons
- **Earning** Certifications
- **Gaining experience through** Internships
- **Engaging in** Revenue Generation Activities
- **Contributing to** Industry Consultancy Projects
- **Publishing** Research Publications & IPR
- **Developing AI** and other emerging technologies based Projects
- **Managing** Social based Media Accounts
- **Volunteering for** Social Work
- **Achieving in** Co-curricular Activities
- **Performing in** Cultural/Sports Activities

Career Pathways

Students can choose their own placement pathway based on individual interests to prepare for life:

- **Corporate Jobs:** Training for industry-specific job roles.
- **Government Jobs:** Preparation for civil services and public sector jobs.
- **Higher Studies:** Coaching for national and international entrance exams.
- **Research:** Exposure to industry and academic research projects.
- **Entrepreneurship:** Support from LPU Startup School to build new ventures.
- **Studying Abroad:** Guidance for GRE, GMAT, IELTS, TOEFL, and other international opportunities.

By engaging in diverse learning experiences, students not only gain practical knowledge and skills but also earn academic recognition, ensuring a holistic and industry-ready education

Research

In line with national policies, Lovely Professional University focuses its research endeavors on various areas essential for societal and technological advancement. These include:

Trust Areas:

Fields related to Healthcare, Sustainable energy solutions, Systems for power and habitat improvement, Advancements in Nanotechnology and Materials Science, Research Concerning Water Resources and River Systems, Innovations in Security Technologies, Developments in Information and Communication Technology, Initiatives contributing to Industry 4.0, Studies addressing Environmental Science and Climate Change, Research in Agriculture Preservation and Biotechnology, Economic and Management-related investigations and Innovations in Smart and Future Infrastructure.

Key Statistics:

- Over 27,000+ research papers published with 2,16,000+ Scopus citations and an h-index of 162.
- Research grants totalling 96.24 crore and over 2,900+ IPRs granted.
- LPU is spearheading two Erasmus+ funded international projects, CS4ALL and EUSPIRIT, with budgets surpassing 7 Cr and 8 Cr respectively, collaborating with partners across Asia and Europe.
- Received INR 6.2 Crores grant from the Ministry of Textiles for advanced research labs.
- 34 LPU faculty members ranked among the World's Top 2% of Scientists by the Stanford University (USA).

Initiatives and Facilities:

- Established a high-end satellite lab for real-time data capture.
- Artificial Intelligence, CoE for project ideation and development related to Artificial Intelligence and Robotics.
- Specialized Intellectual Property Rights (IPR) cell to assist young researchers.
- Student research awards, grants, and incentives for conference attendance and publications.
- Doctoral fellowship scheme with research grants.
- Dedicated research building with state-of-the-art facilities.

Advanced Research Facilities:

- Central Instrumentation Facility (CIF) with sophisticated characterization machines.
- Space Research Centre with Hermes Class Ground Station.
- NABL and QCI accredited mechanical testing facility.
- CPCSEA-approved animal house, along with approved breeding center.

National and International Collaboration:

In LPU's pursuits, national and international collaboration serves as the foundation of innovation and excellence. Within the domain of academic research, there are extensive national and international connections, comprising over 1200+ linkages and significant partnerships. Our outreach is extensive, with 250+ Memorandums of Understanding (MoUs), nurturing collaboration, crucial for driving global advancement together.

Students' Live Projects

At LPU, Live Projects are a part of curricula in the form of Academic Tasks, Community Development and Capstone Projects or Add-on-Courses in Honours programmes. Initiatives of various departments of LPU in this regard can be summed up briefly as follows:

Students of Civil/ Mechanical Engineering are actively engaged in Energy Management, Waste Recycle Management, Solar Heating, Refrigeration, Ropeway Solar Car, Solar Car, Solar Traffic lights, Wind Mills, aerodynamics of Go-Kart, biofuels, Air purifier, environmental pollution like CO2 capturing etc.. More than 15 automobile projects prepared by students were showcased in Auto-Expo 2014.

Students of the School of Hotel Management and Tourism manage core hotel operations in Uni-Hotel, under guidance of skilled professional chefs/ managers, to instill in them qualities that make them ready for work in the industry from day one. They are actively engaged in airlines service with special focus on low cost carriers, Agri-Tourism, front office management, food and beverage services etc.

Students of Journalism & Film Production make corporate films, short films, documentaries, cultural events reports, write stories, and bring out an e-journal - Verto Times.

Students of Fashion, Animation, Fine Arts, and Performing Arts engage/ undertake freelancing projects with the community to showcase their skills and creations through exhibition cum sale, performances and consultancy, Fashion Shows. Various Projects include study on silhouette in coordination with fabrics, Eco-printing, Merchandising etc.

Students of Management engage with real time industry problems of branding, rebranding, packaging, advertising, supply chain management, revitalizing marketing strategies etc.

Students of Computer Applications/Computer Science and various streams of Engineering have been involved in projects like designing websites, e-catalogue software for tracking customer complaints, E-Rickshaw Tracker, Raspberry Pi Image Recognition with Alexa Voice etc.

Students of Architecture and Planning work on live projects involving building designs, creating urban master plans, Public toilet planning, Revival of inland water transport, Biomimcry, engaging in real time consultancy for local/outside community groups, charities, health organizations etc.

Students of Electronic & Communication Engineering are engaged in satellite launch, temperature / moisture sensing, surveillance, IOT Based LPG gas monitoring system, Real Time Vehicle Health Monitoring System, etc.

Student R&D Centre: The Student Research and Development Centre is run exclusively for students to whet their appetite for research and develop their academic and other projects. It maintains: Student Machine Learning and Diagnostic Centre where students try their hands on faulty machines in the campus and learn not only how to fix them but also apply their knowledge on how to improve and make them even better. Student Research and Development Projects, such as Anneveshan, Driver-less Car, Verto Album, various literary projects and Paper Publications have helped students unleash their research and development potential. Student Innovation Centre welcomes ideas and innovative projects of students and provides them assistance, guidance, and proper knowhow in shaping their imaginations.

Industrial Tie-Ups

for 360° Industry involvement

Academic collaboration with companies through MOUs, Joint programs and work-integrated courses catalyse the Edu-Revolution that will transform education. LPU is known for its diverse student community, academic excellence, and strong industry orientation standing focused to work together with industry experts to create an innovative educational model by associating with world's leading brands.

LPU offers dynamic courses bridging classroom learning with real-world applications, empowering students with practical skills and industry insights.

Regular involvement of industry professionals in curriculum up-gradation, evaluation of internships and projects etc. and joint arrangements with renowned corporate houses are there to upskill and reskill students and faculty through industry-aligned curriculum, global exposure, and emphasis on experiential learning

400+ Labs, Studios and Workshops

All LPU Schools/Departments have a large number of labs for practical work, research work, projects, workshops, studios, and other support systems for a robust hands-on practical exposure, along with theoretical inputs. We have more than 400 fully equipped labs, studios and workshops in various disciplines for hands-on learning and to support students in their research work. These laboratories house sophisticated equipment for all analysis and testing needs. A high-end Central Instrumentation Facility also supports the research ecosystem of the University.

The laboratories also include over 100 computer labs equipped with systems of the latest configuration and software for all applications. Several theory courses in various disciplines follow workshop-based/activity-based/experiential learning pedagogy to strengthen the ability to apply knowledge and concepts in real-time. The laboratories of the University are accessible to students beyond the routine working hours to further fortify the motto of experiential learning. This hands-on learning approach has significantly helped students to improve their employability and performance on the job after their placement in the industry.

University Libraries

LPU houses a Central Library and 12 departmental libraries dedicated to various disciplines to provide students, faculty, and staff members an opportunity to access and explore a repertoire of knowledge in a conducive atmosphere.

- The libraries have a rich collection 5 Lakh+ books/e-books, 61,000+ journals (print/electronic), 1300+ newspapers (print/electronic), 1600+ magazines (print/electronic), National Program on Technology-Enhanced Learning (NPTEL) resources and also has an archived rare book section.
- To keep students, faculty, staff members, and the research fraternity apprised with the current research as well as archived data, the University has subscribed to multiple e-resources and databases like Springer-Nature, EBSCO Ultimate Academic Collection, EBSCO Research Databases, IEEE, JSTOR, SCC-Online, Capitaline AWS, MyDiscovery (TDNet), etc. The library is also a member of Shodhganga, E-ShodhSindhu, National Digital Library of India (NDLI) and DELNET, which are open access databases of national importance.
- The MyDiscovery service links all subscribed e-resources to provide a single-platform access to the entire gamut of University e-resources and databases.
- The rare book section of the Central Library houses manuscripts, monographs, government reports, archaeological survey reports, literature in various other languages, Conference Proceedings, and old reference books.
- Library has its own Institutional Digital Repository (D-Space) for collection of theses/ other reading materials.
- The fully air-conditioned Central Library is operational from 8am till 12:30 am (midnight), providing an ideal environment to study. The electronic resources (e-books, e-journals, e-databases etc.) of the libraries are accessible anytime through in-campus access as well as remote access through a secured login.
- The library is fully automated with ILMS & RFID technology. The Web-OPAC (Online Public Access Catalogue) enables students and staff to search the availability of various books and reference materials available in the libraries.
- The Central Library also houses a digital section having 150+ terminals for providing free seamless internet connectivity to students within the library premises.

The University's Library system offers a variety of library services:

- | | |
|--------------------------------|---|
| • Study Carrels | • Reference Service |

Residential Facilities

The University offers excellent living accommodation within the campus, separately for boys and girls. We understand expectations of our students, who come here from a varied cultural and geographical zones and perhaps leave their homes for the first time in their lives. The university ensures making this transition smooth and comfortable. The university has a wide range of options that meet the needs of all students. There are rooms ranging from Standard Rooms to Apartments and students can opt for an accommodation as per their convenience and choice.

The wide range of hostel facilities are:

- Room with attached washroom, bed with mattress, chair, table, almirah and curtains
- Options of air-cooled or air-conditioned room
- Separate mess facility in each hostel with vegetarian meals only.
- Apart from mess, each hostel has a cafeteria which remains open 24/7 to facilitate the students who generally study till late night
- Hygienic vegetarian meals with variety of cuisines (North Indian Exclusive, South Indian Exclusive, Haryanvi Exclusive, Rajasthani Exclusive, Eastern-North Eastern Exclusive, Combo North-South)
- Free internet connectivity through Wi-Fi system (for academic purpose)
- Hot water
- Hospital (in campus) with resident doctors and ambulances
- Counsellors for resolving issues like homesickness, studies etc.
- 24 hour security; Turnstile access to residential areas for ensuring security
- Elevator, ATM, free parking facility in each residential block
- Departmental store for daily needs
- Facilities of indoor and outdoor games; Gymnasium (optional)
- Laundry (optional)
- 66KVA sub-station, for power supply and 24 hours power back-up through generators
- Cloak Room facility for resident students
- Online leave facility
- Guest Room facility for parents (subject to availability)
- Elaborate fire safety arrangements as per norms

Apartments

Apartments have 1/ 2/ 3/ 4 room options with attached washrooms. Few apartment also have common pantry, dining and lobby. Additional facilities offered in apartments are:

- Air Conditioner in each room, geyser in attached washroom
- Wooden Cupboards/ Almirah, Wooden/ Iron Bed, Curtains, Mattress
- Permission to use two electrical gadgets (maximum load up to 5 Amperes per apartment)

Transport and Parking

LPU has a dedicated fleet of buses for ferrying students to the University from nearby cities. A hosteller, like a day scholar, can avail parking facility for a personal vehicle if he/she chooses to keep one.

Wide view of the multi-storey hostels

Hotel Inside room view (Girls)

Shopping & Dining

Uni-Centre

Built in cosmopolitan style, the Uni-Centre is a multi-storey air-conditioned complex housing departmental stores, including a full fledged WH SMITH departmental store of the international chain, banks, money changers, courier services, bowling alley, well equipped gym & spa and food-courts. There are outlets for branded apparels, lifestyle accessories, electronic gadgets (computers, laptops), books, stationery, sports equipments, opticals along with photo studio, salon, boutique and other related services that help students meet their daily needs, right at the campus. Some of the brands at Uni-Centre include Archies, Café Coffee Day, Dominos, Apple, Fitness Edge etc.

Food Courts and Kiosks

Apart from mess facility in each hostel, a varied range of food kiosks, cafes, canteens, juice bars, snack bars, coffee bars, and terrace cafes are operational throughout the day, at the campus, to cater to the tastes of the diverse community of students. These offer excellent multi-cuisine menus and one can savour flavours of different countries and regions of India.

Uni-Hotel

The 25 room Uni-Hotel, nestled in the heart of LPU, provides all the luxuries and modern conveniences of a full service hotel including first class dining. It provides a safe & comfortable stay for parents of the students and guests of the University.

Uni-Hotel is also a learning platform for students of the hospitality programmes of LPU.

Students hangout with friends at Uni-centre

Largest Pizza chain Domino's at Uni-centre

Inside view of the Uni-Centre

Health Care & Other Facilities

There is a fully-equipped on-campus hospital to provide healthcare services to students and staff. The hospital is staffed with well qualified doctors, nurses, lab technicians, and provides following services:

- Medical Consultation
- Handling Emergencies
- Dental treatment
- Medical Referrals for specialized services
- Eye Check up
- Pharmacy Shops for dispersing medicines
- Clinical Laboratory for medical tests
- Dedicated Ambulances
- First Aid

Physiotherapy Clinic

Well equipped physiotherapy centre and qualified physiotherapists are engaged to provide relief for various cardiovascular, neurological, orthopaedic and muscular problems

5 Banks and 50+ ATMs

The university campus has branches of five nationalized banks, 50+ ATMs at various sites including each hostel, and a mobile ATM van running across the campus in addition to a Western Union money exchange facility. In addition, LPU has a tie-up with Pay-tm for online fee payments, without transaction charges, and payments can also be made through HDFC gateway and I-Cash card. The banks on the campus include the following:

- State Bank of India
- ICICI Bank
- Punjab National Bank

Postal and Courier Services

A post office, operated on the campus by Postal Department of Government of India, caters to all postal needs of students including mail, parcel, speed post, money transfer and more. In addition, courier services are available from the campus, along with on-campus courier delivery services.

Safe and Secure Campus

LPU offers the safest and secure environment to its students and staff to enable them to concentrate on their professional pursuits. The elaborate safety and security arrangements include the following:

- Dedicated team of 200+ professional security officers and personnel, under supervision of senior retired defence officers deputed at various campus locations, Network of 7200+ CCTV cameras installed at strategic places, with a Control Room, providing 24 hour live surveillance of nearly all places in the campus.
- Digital Boom Barriers are installed to regulate vehicular access into the university.
- Turnstile Entry at Main Gates, Libraries, Hostels/ Residential areas to enhance security aspects.
- Fire Safety kits are installed inside all buildings, at all important locations.
- University has its own Fire Tending Vehicle with trained fire tending staff in the campus.

Cultural Activities

LPU has emerged as Overall Champions at 37th & 38th AIU Inter-University National Youth Festival organised by the Association of Indian Universities (2 times in a row).

LPU undertakes regular initiatives to identify talent among students and groom them to award winning levels through rigorous training and by providing the required cultural platforms to perform. Professional workshops under national and international exponents are organized for preparing students to participate in Association of Indian Universities' (AIU's) Youth Festivals, and other National Youth Competitions. The Student Welfare Wing facilitates operations of 5 cultural societies and more than 18 student clubs in the category of Music, Dance, Theatre, Literary, Fine Arts etc.

- LPU students have also achieved national fame by **participating in National Level TV shows** like Dil Hai Hindustani on Colors TV, Sa Re Ga Ma Pa on ZEE TV, The Voice (&TV), Colors of Youth (MTV) and Rising Star (ColorsTV).
- Students' success stories stand tall as one of our students has won **Dada Saheb Phalke Award** and **student Oscar award** in the field of cinematography. Students have worked in famous Aamir Khan's movie Dangal too.
- LPU Alumni of Classical Band Raaga Fusion have become the **First Runner-Up of India's Got Talent Show** (Sony Liv's acclaimed reality show).
- Lovely Professional University (LPU) student secured the **First prize at the National Youth Parliament Festival** in New Delhi, organized by the Ministry of Youth Affairs and Sports, Government of India. Moreover, 9 LPU students have been selected in top 30 key note speakers amongst 10,000 participants at 13th Bharatiya Chhatra Sansad.
- LPU earned the **Overall Runner-up Trophy** at the **36th All India National and North Zone Youth Festival**.
- LPU won as **1st Runner-Up** at **Punjab State Inter University Youth Festival 2024** organized by the Directorate of Youth Services, Punjab.

One World - Global Diversity Festival & One India - Indian Diversity Festival

LPU has been organising **One World**, commemorating cultures and traditions **across the world** with the notion of sharing similarities and celebrating differences.

Those are really the moments of ecstasy, when the students and staff representing all states and UTs of India join hands to rejoice the spirit of unity through the annual university fest - '**One India**'. The festivity showcases the rich diversity in Indian folk arts, achievers, cultures, cuisines and students enthusiastically immerse themselves in this celebration.

Youth Vibe - National Open Fest

The National Open Fest, "Youth Vibe" on LPU campus has been witnessing enthusiastic and increasing participation of students from 100 universities and colleges from across India. The three-day festival, comprising more than 200 events, witnessed the participants in diverse technical, cultural, sports, management, and socially meaningful competitions.

Sports Athletics & Fitness

- From IPL to WPL, LPU continues to solidify its reputation as a powerhouse in Indian sports. LPU alumni Harpreet Brar, Harnoor Pannu are set to shine in IPL 2025 and Akshita Meheshwar are set to shine in WPL 2025.
- 5 LPU students got selected for PRO Kabaddi league Season 11.
- A B.Ed. 2nd-year student from Lovely Professional University, secured a **Gold Medal** as her team triumphed in the **1st Kho-Kho Women's World Cup 2025**.
- LPU student won a **Bronze Medal** at the **20th World Senior Pencak Silat Championship 2024**.
- In the **Asia Cup Archery 2023-24**, LPU athletes dominated the event by securing a total of **6 Medals**, including **5 Gold and 1 Silver**.
- LPU students delivered an outstanding performance in the final of the **Senior Women's T20 Challenger Trophy** as part of India E.
- LPU weightlifter won a **Silver Medal** at the **Asian Championship** held in Qatar.
- 4 talented LPU students have been represent India in the **Women's Hockey Junior Asia Cup 2024**, to be held in Muscat, Oman.
- 8 talented female athletes from LPU have represented India in the **Senior Women's Asian Handball Championship Dec 2024**.
- LPU won the **1st Runner-Up Trophy** at the **Khelo India University Games 2023**, securing **20 Gold, 14 Silver**, and **8 Bronze Medals** among all participating universities.
- LPU emerged as the champion in two prestigious inter-university tournaments, securing a record-breaking haul of medals. In the All India Inter-University 2023-24, LPU topped the rankings with **72 Medals**, including **17 Gold, 22 Silver**, and **33 Bronze**. Additionally, LPU dominated the North-Zone Inter-University 2023-24, winning **39 Medals**, comprising **12 Gold, 16 Silver**, and **11 Bronze**.
- LPU emerged as the **Overall Winner** in the **AIU Men's Weightlifting Championships 2024-25**.
- LPU emerged as the **Overall Runner-Up** in the **AIU Men's Boxing Championships 2024-25**.
- The LPU badminton team secured **Overall Runner-Up** trophy in the **All India Inter-University Badminton Women's Championship 2024-25**.
- LPU's **Taekwondo Team** secured **Overall 2nd Runner-Up** trophy at the **All India Inter-University Taekwondo (Women) Championship 2024-25**.

Some of the sports events hosted by LPU

All India Inter-University (Men) Weightlifting Championship 2024-25, North East Zone Inter-University Women's Weightlifting Championship 2024-25, North Zone Inter-University Women's Kho-Kho Championship 2024-2025, Wrestling Senior Federation Cup 2025, T20 Corporate Cricket League 2025, North-Zone Inter-University Kabaddi (Men) Championship, KVS national Boxing, Handball, Badminton (Men), KVS national Shooting (Men and Women) And Kho-Kho (Women), Shri Ashok Jain Memorial Badminton Tournament, 3rd India Para Open National Championship, 10th Divyang India Cricket League, 36 Korfball National Event, National Federation Cup Wrestling, All India Inter-University (Man and Women) Rowing Championship 2024-25.

Shanti Devi Mittal Indoor Sports Complex

LPU has one of India's largest Indoor sports complexes comprising of 12 Badminton Courts, 1 Basketball Court, 1 Volleyball Court, 6 Squash Courts, Shooting Range, Olympic Size Pool, Warm Up Pool, Diving Pool, Wrestling & Boxing Arena, State-of-the-Art Gymnasium, Aerobics, Taekwondo, Judo, Chess, Roll Ball, Weight Lifting, Wushu, Yoga Drop Roball & Rollar Skating Rink. In addition, LPU also has an outdoor Stadium comprising cricket ground, Hockey Ground, Tennis Courts, 9 hole Golf Course, American Football, Kho-kho Ground, Handball Ground, Archery Ground, 2 basketball courts, 3 Volleyball Courts and Football Ground.

- LPU Student, Chukkala Pardhasaradhi, won National Level NSS Best Volunteer Award from President of India.

Department of Community Service aims to inculcate the spirit of voluntary work in our students and sensitize them towards societal challenges. As responsible citizens, LPU students are involved in a variety of community services and activities including skill development of youth, blood donation, pulse polio campaign, career counselling, teacher training, plantation drives, medical camps, computer literacy drive, book bank, fundraising for disaster relief, cleanliness drives etc. LPU students have the option of serving the society through Govt. of India's National Service Scheme (NSS), National Cadet Corps (NCC) or engaging with national and international NGOs to undertake voluntary projects and assignments. Community service projects are also undertaken under various credited courses. LPU has a distinction of sending the largest contingent of NCC cadets & NSS volunteers to the Republic Day parade in January 2019, 2022, 2023, 2024 and 2025.

Institutional Social Responsibility

As a responsible institution, LPU has adopted 23 villages and 5 slums for focusing on its ISR activities.

LPU is providing free education to youth with spinal injuries and hosting their conferences/meets to spread awareness about rehabilitation of people with spinal injuries. Some of LPU initiatives in association with partners from the industry include education promotion, sanitization programme, clean and safe drinking water, power plant and electricity.

generation, village entrepreneurship development and each one teach one project. LPU has also partnered with Punjab Government and has adopted 23 nearby villages under SATHI (Skill development, Agriculture, Technology, Health, Innovation) project.
