ABOUT SCHOOL OF DESIGN - MULTIMEDIA

The School of Multimedia (Animation, Graphics & Gaming) is dedicated to nurturing creative minds in one of the fastest-growing industries across media, education, and entertainment. In today's technology-driven world, multimedia plays a vital role in digital communication, storytelling, visual design, and interactive experiences.

With diverse applications ranging from animation and graphic design to gaming and digital content creation, the field offers immense career opportunities and entrepreneurial prospects. Our programs are designed to equip students with industry-relevant skills, creative expertise, and technical knowledge to excel as innovative multimedia professionals in the global market.

Students gain experience beyond internships by working on freelance projects or participating in entrepreneurial ventures.

STUDENT'S TESTIMONIALS

Tania Kundu

**Hewlett Packard
Enterprise**

"I'm sincerely thankful to LPU for providing me with the knowledge, exposure, and confidence to secure this amazing opportunity. The faculty's guidance, practical experience, and industry-related curriculum have played a significant role in my career."

Nitin Kumar

"I am truly grateful to my university and faculty members for the right guidance and exposure that strengthened my learning. The practical, experience-driven curriculum encouraged me to step out of my comfort zone and improve every day. Our experienced and supportive faculty played a major role in shaping my skills."

Indrajeet Singh

NURIX

"My placement experience was really great. I received full guidance throughout the process, which helped me feel confident at every step. I also appreciated having the flexibility and support to choose the opportunity that suited me best."

Shubh Laxmi

"My placement journey was smooth and encouraging at every step, I felt supported, informed, and genuinely encouraged. The faculty didn't just prepare us for interviews they helped us discover roles that matched our dreams. That guidance turned the entire journey into something truly memorable."
