Puzzled!!!

Treacherous

*I heard the silence in sounds
And miseries of never healing wounds
Is it me or the treacherous time?
Fell down, the residents of prime.
I know you watching; making those moves;
Come and help me; in memories at rooves
You are the ultimate truth; I get that
Transcend into you, I implore where I sat.
Dusty roads and hazy milieu,
Please raincheck for eternity, these bitter adieu;
Still is it me or the treacherous time?
Freaked up my fringes
And made up a mockery of its kind.
The wheels in there runs very fast
Pardon my fuss, every then it last.
But remember at least, thee always prays
As long as this universe stays.
Materials and Objects come and go;
Immortal thy writings, through arteries they flow.
May be it felt treacherous, the fickle essence;
But not the sanity, of protective presence.*

Face the Undesirable You

Ships are safe in the harbor ,
but that's not what ships are built for.

Its not matter about how world looks at you,
but it is about how you look at yourself,

Your fears;
Your Weakness;

Your vulnerabilities;
No matter how hard it is ,

Look at'em right in the eyes of you and Go Ahead.

Aman Kumar Awasthi

Fright or Flight

*Is it true that grown-ups know it all,
Or am I still too young, feeling small?
I had a heartbreaking encounter today,
He struck me hard, causing dismay.*

*Sliding back to that moment years ago,
When he vowed heaven and earth in a show.
But behind that disguise of a sheep,
Stood my nightmare, secrets buried deep.*

*Fast forward, under the moonlight's glow,
I saw the monster with a blade in tow.
The ring he gave was just a chain,
Marriage, a jail time filled with pain.*

*He stood there, covered in crimson red,
The walls painted with blood spread.
My heart drummed with fear and fright,
A sight that haunted me late at night.*

*Fee fie foe fum, he sensed friend and foe,
Numb, I wondered which way to go.
Should I confront this creature so vile,
Or take flight, spread my wings and smile?*

*Fright or Flight, a deadly decision,
In this moment of compromised vision.
Dancing with fear, anger's rhythm I hear,
Courage or caution, which path is clear?*

*There's nothing left to fight for here,
So much more in life to come near.
A dilemma, yes, but hold on, it seems,
This was all just a figment of dreams.*

करते देर ना लगेगी आज जिंदगी के उस मोड़ पर हम

मुगालते में जीना चाहते हैं कहीं हम उनके हैं
