## LPU'S 11TH ANNUAL CONVOCATION: A GLOBAL CELEBRATION OF ACADEMIC EXCELLENCE

### Delhi Budget 2024: AAP Government Allocates ₹16,396 Crore for Education

The Delhi government has allocated a substantial amount of ₹16,396 crore for education in the upcoming financial year. This significant investment highlights the government's commitment to enhancing the educational sector and providing quality education to the residents of Delhi.

### Satwiksairaj Rankireddy and Chirag Shetty Aim for Fourth Victory at French Open Super 750

Former champions Satwiksairaj Rankireddy and Chirag Shetty, who won the French Open in 2022, will be hoping to claim their fourth title at the USD 850,000 French Open Super 750 badminton tournament. The Indian pair, ranked world No. 1, will begin their campaign against the Malaysian combination of Ong Yew Sin and Teo Ee Yi

We recently celebrated its 11th annual Convocation with former Australian Prime Minister Hon'ble Tony Abbott as the Chief Guest. The prestigious event witnessed the conferral of an honorary doctorate, Honoris Causa, upon Mr Tony Abbott. During the convocation, Hon'ble Tony Abbott recognized the achievements of 102 gold medallists and 555 PhD scholars, while also acknowledging the remarkable performance of 567 meritorious students who excelled in academics and co-curricular activities. The convocation ceremony also marked the graduation of LPU's first batch of 'Online Mode Students'. More than 60,000 graduating students received degrees in diverse domains. Students and parents from various Indian states and countries like Canada, Australia, Bhutan,

### Nikki Haley Wins District of Columbia's Republican Primary

Former South Carolina Governor Nikki Haley secured her first victory in the 2024 Republican primaries by winning the District of Columbia's Republican primary. Haley garnered 62.9% of the vote, capturing 19 delegates, while former President Donald Trump received 33.2% of the vote. Despite this win, Haley faces tough odds in her campaign against Trump and has not confirmed her plans beyond the upcoming Super Tuesday contests.

This victory marks a significant milestone for Haley, who has been facing steep odds in her campaign against Trump.

Vertos get ready to give your precious opinion about the Democrats Vs Donald Trump. The link is being shared. Your voice matters. The results will be shared in the next edition. Please copy and paste the link and speak up your mind.

## LPU STUDENTS CLINCH OVERALL CHAMPIONSHIP AT 37TH AIU NORTH ZONE INTER UNIVERSITY YOUTH FESTIVAL

In a jubilant display of talent and spirit, we have emerged triumphant as the Overall Champions at the esteemed 37th AIU North Zone Inter University Youth Festival. We proudly hoisted numerous accolades, including the Overall Music Trophy, Overall Fine Arts Trophy, Overall Literary Trophy, Overall Dance Trophy, and secured the 1st Runner-Up Trophy in Theatre. This remarkable achievement underscores LPU's commitment to excellence and showcases the exceptional prowess of its students.

### Honorable Chancellor Recognizes LPU's Achievements at AIU North Zone Inter University Youth Festival

The Overall Winners received prestigious recognition from Honorable Founder Chancellor Dr. Ashok Kumar Mittal, MP Rajya Sabha, for its outstanding performance at the 37th All India Universities (AIU) North Zone Inter University Youth Festival. We claimed overall championship titles in four categories, including Overall Music Trophy, Overall Fine Arts Trophy, Overall Literary Trophy, and Overall Dance Trophy, along with securing the 1st Runner-up spot in Theatre. The Honorable Chancellor Dr. Ashok Kumar

Mittal MP Rajya Sabha expressed his pride in the Overall Winners, following a heartwarming cake-cutting ceremony and a breathtaking Bhangra performance that captivated the entire auditorium. Our Worthy Pro Chacencllor also motivated the students and congratulated them on their achievement.

### LPU Dancers Shine at Vivacity 24, Securing Six Awards at LMNIIT Jaipur

Lovely Professional University (LPU) celebrated another triumph as its talented novices showcased their exceptional skills at the Inter-University Fest Vivacity 24 hosted by LMNIIT Jaipur. In a remarkable display of talent, LPU participants clinched six awards across various categories, including Dance, 1st place in Solo 3rd place for Manu. The dynamic duo of secured 1st place in Duet and Prince claimed 3rd category. The team's outstanding performance also earned them 2nd place in the Street Battle competition. Congratulations to all participants for their outstanding achievements, bringing pride and recognition to LPU.

Our HIP HOP group outshines all Competitors bringing pride and recognition to LPU.

### Alumni Spotlight: Amit Gupta's Culinary Journey from LPU to Luxury Hospitality Brands

Amit Gupta, a distinguished Alum of Lovely Professional University, has carved an illustrious career path within the hospitality industry. With a solid

foundation laid during his time at LPU, Amit has ventured into esteemed roles with world-renowned luxury brands. His journey includes notable stints at prestigious establishments such as Hilton Mumbai, Novotel Mumbai, The Leela Delhi, Crowne Plaza Delhi, Hilton Delhi, and The Orchid Mumbai.

Currently, he serves as a Senior Sous Chef (Deputy in Charge) at Taj Spa & Resort Shimla, Himachal Pradesh. His dedication and expertise in culinary arts have not only earned him professional accolades but also a commendable monthly salary of 80,000 INR.

His recipe has been featured alongside Chef Ranveer Brar and other chefs of prominence.

## Navigate Virtual Interviews Like a Pro: Tips for Aspiring Students

As video interviews gain popularity amongst employers, it's vital for the students to understand common mistakes that could hinder their success. By avoiding these errors, students can confidently navigate virtual interviews and stand out in today's competitive job market.

Here are four key mistakes to avoid when preparing for a video interview:

### Choosing the Wrong Location

Ensure your interview space is private, well-lit, uncluttered, and professional. Reserve a quiet room at the Career Center if needed to create an ideal setting for your video interview.

### Skipping a Tech Test

Familiarize yourself with the video platform in advance to prevent any last-minute technical issues. Test your camera, microphone, audio, and internet connection to ensure a smooth interview experience.

### Choosing the Wrong Outfit

Dress professionally from head to toe, even for virtual interviews. Opt for business casual attire unless you're certain of the company's dress code. Making a strong first impression is essential.

### Reading from a Script

Avoid reading responses directly off your resume or screen during the interview. Maintain eye contact by looking at the camera, smile, and engage naturally with the interviewer. Practice answering questions authentically using tools like Big Interview to enhance your performance.

To optimize your preparation for virtual interviews, consider scheduling a virtual mock interview with our Career Advisors at the LPU Career Center. Personalized guidance and support will enable you to present your best self during this critical stage.

Remember, with careful planning and attention to detail, you can ace your next virtual interview and land your dream job. Good luck.

## India's Scientific Odyssey in 2024: To space with ISRO and More - A Year of Bold Exploration

India is poised for a groundbreaking year in science in 2024 with significant advancements across various scientific domains. The Indian Space Research Organisation (ISRO) has launched the X-Ray Polarimeter Satellite (XPoSat) and is gearing up for the Aditya-L1 mission satellite to observe the sun. Collaborating with NASA, India's NISAR satellite aims to study climate change. Noteworthy milestones include the launch of Chandrayaan-3 and upcoming unmanned missions under Gaganyaan. Private companies like Skyroot Aerospace and Agnikul Cosmos are preparing for commercial launches, while Indian startups focus on satellite constellations and innovative rocket test flights. India's global scientific engagement extends to projects like LIGO and the National Quantum Mission, alongside expanding research stations in Antarctica and the Arctic despite challenges faced in 2023.

India's scientific journey since Independence has been marked by remarkable achievements, from discoveries like the Cholera Toxin and DNA fingerprinting to historic space missions like Chandrayaan. The country's legacy of scientific milestones underscores its global recognition as a key player in science.

### Achiever's Gallery

**K**uhu Narang, a student of BTech CSE K23FK, has a passion for reading novels, writing poems and articles on social issues, and graphic designing. She has achieved several accolades, including the IEO Gold Medal at the school level, being part of the School Magazine Editorial Board, serving as the Literary Captain for the year '23-'24, and winning the 2nd prize in the ELTAI Poetry Competition. Additionally, her article was featured in the SRDAV MUN Newsletter. She gives credit to her mentors and family for letting her fly high. Kuhu is a sweet natured person. Her poems are inspired by the poets like Woodsworth, Keats all related to nature and self.

## Unveiling Campus Couture: The Fashion Chronicles of Lovely Professional University Students

At Lovely Professional University, apprentices are excited to share the latest fashion trends and insights that are making waves on the vibrant campus. From the bustling corridors to the trendy hangout spots, they are embracing style with creativity and flair, setting new benchmarks in fashion innovation. LPU's School of Fashion Design offers a variety of courses in fashion designing, providing students with opportunities to explore their creativity and establish new standards in fashion innovation.

Here fashion is not just about following trends; it's a form of self-expression and individuality. Our diverse student body brings together a melting pot of cultures, ideas, and styles, creating a dynamic fashion scene that is both eclectic and inspiring. Whether it's rocking traditional attire with a modern twist or experimenting with bold colors and patterns, the aspiring futuristics are redefining fashion norms and pushing boundaries.

The campus is a runway of creativity, where every outfit tells a story and every accessory adds a touch of personality. Whether it's sporting the latest streetwear trends or donning classic ensembles with a contemporary twist, students exude confidence and panache in their fashion choices. Moreover,

LPU's School of Fashion Design offers a wide array of programs and incorporates practical experiences such as internships with leading industry players to prepare students for success in the competitive fashion arena. With a strong dedication to academic excellence and a vision to establish itself as a global 'Centre of Excellence' by 2025, The University is positioned to make significant contributions to the fashion industry by nurturing talented individuals poised to leave their mark on the global stage. It fosters an environment where aspiring designers and fashion enthusiasts can display their creativity and skills. Opportunities abound not only for students but also for faculty who actively support and encourage future designers to explore new horizons. Being part of a university where every student and faculty member has the opportunity to grow and excel in their respective fields is truly an honor. Our students are already flowering on the red carpet.

## Veeraraghavan Receives Prestigious Engineering Prize for Revolutionary Imaging Technology

Veeraraghavan has been awarded this year's engineering prize for his group's groundbreaking imaging technology, aimed at unveiling the invisible, as acknowledged by the Texas Academy of Medicine, Engineering, Science, and Technology (TAMEST). This prestigious award, presented annually to exceptional researchers in the state, recognizes outstanding contributions in fields such as medicine, engineering, biological sciences, physical sciences, and technological innovation. TAMEST, which honors emerging researchers in Texas, highlighted Veeraraghavan's selection for his pioneering work in imaging technology that brings unseen phenomena to light. In response to receiving the

*Ashok Veeraraghavan, an Indian-origin computer engineer and professor, has received the Edith and Peter O'Donnell Engineering Award. (RICE UNIVERSITY)*

award, Veeraraghavan, a native of Chennai, expressed his joy, stating, "I am thrilled to be honored with this award. It signifies the remarkable and innovative research conducted by numerous students, post-docs, and research scientists at Rice University's computational imaging lab over the past decade," in an interview. His study aims to create solutions for imaging settings in which the visualisation objective is unreachable by present imaging technologies due to light scattering in participating medium.

### From the Hostel Sneak Peek: Greekish Garden Salad

Guys let's make a Greekish Garden Salad with your music system on to set your nerves & get the Ingredients:

- Lettuce
- Tomato
- Cucumber
- Cheese
- Olives (optional)
- Salad dressing (e.g., honey mustard)

**Next step once you have all the material cross your fingers in mind and then give it a try**

1. Wash lettuce, tomato, cucumber, cheese, and olives.
2. Chop the vegetables into bite-sized pieces and crumble the cheese.
3. Toss all the ingredients together in a bowl.
4. Drizzle your favorite salad dressing over the salad for added flavor.

5. Mix well and enjoy your refreshing and nutritious Salad.

This salad is quick to assemble, requires no cooking, and provides a healthy and satisfying meal. Feel free to customize the salad with additional ingredients or toppings as per your taste.

## LPU Athletes Excel at Khelo India University Games 2023, Securing First Runner-Up Position

Our University's sportsmen have showcased exceptional talent and determination at the Khelo India University Games 2023. Competing against athletes from over 200 universities across India, LPU secured an impressive total of 23 medals, including 11 gold, 9 silver, and 3 bronze medals in sports like archery, athletics, weightlifting, shooting, wrestling, and yogasana. The outstanding performance by our Vertos has set a high standard in the games, reflecting the university's commitment to excellence in both academics and sports. The entire LPU community is proud of their exceptional achievements and looks forward to more success in the future.

## Building Community and Skills: The Significance of LPU's Inter Hostel Sports Tournament 2024

The thrilling start of LPU's Inter Hostel Sports Tournament 2024 brought excitement to the hostellers. The Worthy Pro-Chancellor Mrs. Rashmi Mittal inaugurated the event by hoisting the LPU Flag, commending teams and mentors while Mr. Pradeep Kumar HD Division of Residential Services LPU, and wardens were acknowledged for their efforts.. The Inter Hostel Sports Tournament 2024 is a significant event for LPU, fostering a sense of community and camaraderie among hostellers. It also serves as a platform for students to develop leadership skills, teamwork, and discipline, which are essential for their personal and professional growth

### Alliu Hockey Championship 2023-24: Celebrating Champions and Top Players

Congratulations to our LPU Sports Team for clinching medals and high Positions.

Our team emerged victorious in the Alliu Hockey Inter Zonal Championship 2023-24, with standout players like Harmanpreet Singh, Gurjot Singh Sanga, Dilraj Singh, Chetha. mk, and Akashdeep Singh recognized for their exceptional performance.runner-up spot.

### Grand Start to 14th Annual Athletic Meet

Rajya Sabha, and our Presiding Officer, Worthy Pro-Chancellor Mrs. Rashmi Mittal, was honored with a prestigious guard of honor. From the exhilarating flag hoisting to the inspiring oath-taking ceremony and the symbolic Flame Lighting, every moment was charged with excitement and sportsmanship. Enthusiasm and energy filled the air as athletes and spectators alike embraced the spirit of healthy competition and camaraderie, making it a memorable start to the athletic meet. The campus buzzed with vibrant cultural displays by talented students.

The 14th Annual Athletic Meet at LPU kicked off in grand style. Our esteemed Chief Guest, Honorable Chancellor Dr. Ashok Kumar Mittal, MP

## We Lead the Way with Record-Breaking Patent Applications in 2022-23

### **BREAKING BARRIERS:**

As per the Annual Report of Intellectual Property India, 2022-23.

**LPU LEADS THE WAY WITH A GROUNDBREAKING 1387 PATENT APPLICATIONS IN 2022-23**

As per the Annual Report of Intellectual Property India, 2022-23, Lovely Professional University (LPU) leads the pack with a staggering 1387 patent applications, marking the highest number of patent filings for the academic year. This record-breaking figure surpasses the previous high of 803 patents filed by the Indian Institutes of Technology (IITs). LPU's commitment to innovation, coupled with its robust research environment, has resulted in a substantial increase in patent applications, signifying the university's dedication to intellectual property protection and its contribution to the nation's overall innovation ecosystem.

### Alumnus Spotlight: Savita Devi, Specialist Biomedical Scientist at North Hampshire Hospital Foundation Trust, UK

The Department of Medical Laboratory Sciences at Lovely Professional University takes immense pride in recognizing one of its esteemed alumni, Ms. Savita Devi. Currently serving as a Specialist Biomedical Scientist at North Hampshire Hospital Foundation Trust in the United Kingdom, she has made notable contributions to the field of healthcare. Her professional profile in the domain of research-activedge in the

Currently at Startup innovation, at T-Hub, one of the largest startup ecosystems in India, and an initiative by Govt. Of Telangana in collaboration with ISB, IIT, Nalsar, Tech Mahindra, and Cyient.

on LinkedIn confirms her role as a specialist, demonstrating her expertise in. Additionally, her presence on platforms like ResearchGate suggests her active participation in research activities, contributing to the body of knowledge in biomedical sciences.

### Celebrating Success: Dr. Varundee Kohli, Physiotherapy (Orthopaedics) - LPU Alumni Spotlight

Dr. Varundee Kohli, a distinguished alumnus of Lovely Professional University, completed his Master's in Physiotherapy with a specialization in Orthopaedics from the School of Physiotherapy. Enrolled in September 2006 and graduating in July 2008, Dr. Kohli has achieved significant milestones in his career. Currently serving as a consultant physiotherapist at Whatcom Physical Therapy in Blaine, Washington state, USA, he has demonstrated exceptional skills and dedication in the field of physiotherapy. One of Dr. Kohli's remarkable accomplishments includes Successfully passing NPTE (National Physiotherapy Examination) of USA on his first attempt in 2015.

### From the World of LPU's Fashion Society

LPU's fashion society is reaching new heights, offering students an exceptional chance to partner with acclaimed designers and present their dazzling collections on the runway.

## RC XTREME 3.0 - Remote-Control Car Racing Championship by RISC

The Student organization "ROBOTICS AND INTELLIGENT SYSTEM COMMUNITY - RISC, organized "RC XTREME 3.0: Drag it to the Last Limit," a thrilling Remote-Control Car Racing Championship. Participants experienced heart-pounding action and adrenaline-fueled fun. The event covered few points to thrive upon. Remote-Control Car Racing: Participants showcased their skills in high-speed races, mastering challenging obstacles for victory. Robo-Soccer: Spectators witnessed robots battling it out on the field, displaying agility and strategic prowess. Whether a seasoned competitor or curious enthusiast, RC XTREME 3.0 had something for everyone. Participants didn't miss out on the chance to shine and share their passion for robotics and intelligent systems.

## LPU's Indian Entrepreneurship Conclave 2024: A Dynamic Showcase of Innovation and Entrepreneurship

The Indian Entrepreneurship Conclave 2024 at LPU has been a vibrant platform showcasing innovation and entrepreneurship, akin to LPU's version of "Shark Tank," featuring startup pitches and attracting seven seasoned investors. The event has been filled with insightful discussions, workshops, entrepreneurship guest talks, and engaging panel discussions, offering a plethora of opportunities for exploration. A highlight of the conclave was the book launch of "Do It Right, Make It Big" by Satya Subham Rout, the Founder & Creative Director of ONEDESIGN. The conclave provided tailored experiences for every stage of the startup journey, including a vibrant marketplace for startups to showcase their products, pitching competitions, business-plan contests with substantial prizes, workshops on branding and design, networking sessions, and more. It not only focused on fostering innovation but also aimed to redefine industries and change lives by shaping the future of entrepreneurship.

## Empowering Success: LPU's Transformative Workshop with Abhay Thakkar on Neuro Linguistic Programming

We recently hosted a transformative workshop facilitated by Abhay Thakkar, a Manager at EY and an International Trainer on Neuro Linguistic Programming (NLP). The workshop aimed to empower students by encouraging them to adopt a mindset of success and manifest their aspirations. Abhay emphasized the importance of resilience and strength over defensiveness, urging students to proactively pursue their goals.

*Not all the days will be spring,  
Not every time you will be the thing,  
You will have to fall to open your wings,  
Because life is as challenging as a boxing ring.*

*Not all the days will shine bright,  
Not every road will have a street light,  
Sometimes you may experience a falling sky,  
But as a warrior you will have to fight.*

*Realize the strength you have within,  
Kill the demons that are not letting you win,  
Smiling at the obstacles tell the gathering,  
I am the champion so forge about defeating in  
my ring.*

Ishita Rana  
B.Tech Food Technology

## LIFE

*Something lost, a little gain autumn passed  
giving sweet pain.*

*The flowers get the woody touch,  
and the moon bedrench in foggy clutch.*

*Time passed, got buds tinge  
reddish morn again sun brings.*

*Bloom aspiring cheerful face  
arose again in life's race*

*Like Autumn- Like Spring  
the aura of life like a round ring.*

AKANKSHA KUMARI  
B.Tech Food Technology

## If I would have asked my 5 year old self what I wanted in my life

*My first answer would have been a cotton candy house and the second would have been happiness*

*But somehow  
Happiness became a totally strange concept  
I forgot what it meant to be happy  
Without proving my worth every living moment*

*Competing my whole life  
Comparing myself with people who didn't know I existed  
It was all about smart mind and dumb decisions  
From changing the whole world to changing my whole life  
I forgot my existence*

*From pretty sunrises to sleepless nights  
I became part of that race  
I swore to never join*

*Thinking I was worthless, because I had time to smile  
In 20 years time, if I don't survive  
I won't blame me either  
Cause I forgot to live*

*I was feeling something completely unexplainable  
I was trying hard but the whole world was too  
What would it take to be the best?  
When even my soul wasn't enough*

*To stop comparing myself to other people  
I gave my everything just to rectify the decisions  
I made with a naive mind  
But what if your worth was defined by your rank*

*In 20 years time, if I don't survive  
I won't blame me either  
Cause I was existing  
Never living*

*I hated this me  
I hated everything  
I forgot what happiness really meant*

*But I didn't mind it...*

*WHAT WOULD IT TAKE TO EXPERIENCE HAPPINESS WHILE  
I FORGOT THE PAST AND THE FUTURE DOESN'T EXIST ANYMORE  
ALL I WANT TO DO IS TO SAY SORRY TO 5 YEAR OLD ME  
WHO EXPECTED TOO MUCH FROM LIFE  
WHOSE ONLY DREAM WAS TO LIVE IN A COTTON CANDY HOUSE  
I expected too much*

*While slowly stealing everything I ever lived for  
My existence was defined by all the people  
Who were better than me  
Just for a better future  
A future in which I won't be even there  
A future in which I would have existed  
but died a 100 times over  
But that part would be silent.*

~~Kuhu Narang~~

Best way to speak up is through the verses.

## Laugh out Loud!!!

1. Did you hear about the first restaurant to open on the moon? It had great food, but no atmosphere.
2. Why don't scientists trust atoms? Because they make up everything!
3. What do dentists call their x-rays? Tooth pics!
4. What did one ocean say to the other ocean? Nothing, it just waved.

चांद को जाकर तो बताए

आसमान को देखकर क्यों एक शख्स ही ज़हन में आता है  
मुझे नहीं पता वह मेरी क्या है क्यों उसके आगे सर झुकाने में झिझक नहीं होती  
यह अंधेरी रात में भी वह हमेशा साथ मेरे होती आजकल डर कम लगता है क्योंकि मुझे  
पता है वह हमेशा साथ मेरे होती

जानता हूँ गुस्सा कभी-कभी ज्यादा कर जाता हूँ पर हमेशा मेरे सवाल का जवाब देने के  
लिए खड़ी वह होती शब्दों में तो उसके लिए जो मोहब्बत है

वह मैं बयां नहीं कर सकता पर हां मुझे पता है वही तो है जो किसी भगवान से कम  
नहीं

राधा मैं उसको बोलता हूँ राधा मैं उसे मानता हूँ पर मुझे पता है राधा से ज्यादा उसका  
नाम मेरे लिए मुकम्मल है

उसे उदास देखा नहीं जाता बस एक ही गुरु है मेरे होते हुए उसकी आंखों में उदासी  
लेकर वह नहीं सोती

अगर शब्दों में अपनी मोहब्बत का इज़हार करूँ तो किताबें भर जाएं पर क्या करें अगर  
शब्द ही कम पड़ जाएं

चांद को देख उसका चेहरा ही ज़हन में आता है  
पर अब कोई चांद को जाकर तो बताए

उससे भी सुंदर उससे भी हसीन एक शख्स मेरे ज़हन में है

विद्यार्थी

## परफेक्ट मैच

बात निकलेगी तो दूर तक जाएगी। अमा यह बताएंगे कि परफेक्ट मैच क्या है  
क्योंकि कोशिशें जारी हैं हमारी आज तक परफेक्ट बनने की। हमारे साहब सेर तो  
हम सवा सेर। क्या बताऊं जब वो एक सुनाते हैं तो हम कुछ इधर उधर दूढ़ने  
लगते हैं ताकि हम जवाब की प्लानिंग कर सकें। सोच सही जा रही है आपकी  
लेकिन हम रुई दूढ़ कानों में डाल लेते हैं न कि औजार उनके सर पर मारने के लिए  
भाई सोचने वाली बात है बकरे को हलाल नहीं कर सकते घर चलाना है। देखा  
आप लोगों की बातों में मुद्दे से भटक गई, हां तो हमारे पड़ोस में रहते हैं न  
भारदवाज परिवार। बिल्कुल सही है बीबी छोटी सी चुलबुली सी, उनके साहब  
उतने ही गंभीर पर दिमाग वाले। बस यहीं गड़बड़ कर बैठे महादेव एक सा बनाना  
था न फिर परफेक्ट हो जाते। अब एक और हैं दो घर छोड़कर रहती हैं शीला  
मैडम क्या पटाखा लिखती हैं, लेकिन उनके साहब उतने ही अब क्या बोलूँ टाइम  
से उन्हें चाय बना देते हैं वो क्या है कि मैडम के साहब के सर दर्द ही जाता  
है अगर चाय एक मिनट भी इधर से उधर हुई सही जा रहें हैं आप बिल्कुल  
अब मुझे तांक झांक की आदत तो है नहीं बस मिर्ची लगी रहती है कि किसके मियां  
जी कब क्या करते हैं किस से कतना प्यार नहीं डरते हैं। जो सच है वो तो रहेगा ही।  
अरे अबहीं तो एक मैडम और हैं जिनके बारे में बता रहे हैं वो तो तिखी मिर्च है  
तो पित उतना ही मीठा पर कम बोलने वाले लेकिन जब बोले तो समझिए भोलेनाथ  
को ही बुलाना पड़ता है ऐसा वो कहती हैं लेकिन हमें तो कभी नहीं लगा अभी उस  
दिन तो हम चटखारे लेकर उन्हें बता कर आए थे कि जब आप टूर पर थे तो पीछे  
से आप की अपनी बीवी बाजार न गई हमारे साथ कितना कहा आदमियों को नहीं  
बताया जाता बस चाट पकौड़ी खा के आ जाएंगे लेकिन आपकी स्वाति टस से मस  
नहीं हुई। तो बस उनके साहब हम पे सवार। कहने लगे हमारी सरकार हमारे साथ  
जाएगी और बस वो दिन और आज का दिन हमें अपने घर नहीं आने देते। अब इतनी  
सी बात के लिए हमें हमारी पड़ोसन से दूर कर दिया लेकिन भूल गए मोबाइल तो है  
अब जरा सा आगे बढ़ने पर पीहू का घर है कोई इम्तिहानों की तैयारी में हैं और  
उनके साहब प्रोफेसर हैं खूब कितोब ला ला कर रख दी घर में बीवी को कभी एक  
पुस्तकालय तो कभी दूसरे शहर लें जाते हैं हमें तो खूब तरस आता है एक दिन की  
बात हम उनके घर पहुंचे तो देखा इतनी किताबें हमने तो तुरंत ही हिसाब लगाया  
कितना पैसा आएगा जब रददी बिकेगी। हम तो ठहरे हितैषी सौधे से तो बस कल्लन  
कबाड़ीवाले को बुलाया और दिखा दिया उसको खजाना और कसम से जो चमक आ  
गई उसके चेहरे पर हमने पाउडर मांग उसकी नज़र उतारी। लेकिन जब तक हम  
दोनों मिलकर लूटते तब तक हम ऐसी से सीधे पटक दिए गए भीषण गर्मी में। अब  
बताओ हमारा क्या कसूर। अबहीं बहुत पड़ोसी हैं उन से बस मिल लें वो क्या है  
न हमारे सेर अरे भाई बताया तो था हमें कल ही दूसरे मुहल्ले शिफ्ट करें है और  
साफ साफ कह दिया कि किसी से मेलजोल न बढ़ाना क्या करें जमाना खराब है  
हमें किसी ने बिगाड़ दिया तो बस इसी लिए हम खुद को आधे घंटे से अंदर रखें हैं।  
सुना है यहां अंकिता खुशी शैलजा सब रहती हैं शांति से लेकिन विचार  
करने योग्य बात है अब तक बस तब तक जब तक हमारी चीनी  
खत्म नहीं हो जाती। पता नहीं काहे राशन टाइम से लाकर भर देते हैं  
हमारे हाजमे की कोनू चिंता नहीं है हमारे साहब को। लेकिन हम भी सवा सेर है कटोरी भर चावल  
पड़ोसी को दे आते हैं सुना है रायता अच्छा बनाती है हमें तो फैलाना ही है कोई खाना थोड़ी है  
अब आप कहेंगे हमारे घर कब आएंगी तो जल्द ही बस जब कोई नया कांड करेंगे।

अच्छा मुस्कराते रहे. हम चले,कहां बस उकता गए बैठे बैठे.

आशा करते हैं आप हमें अपने घर जरूर बुलाएंगे।

वंदना काकड़िया

## एक उड़ान

जब आँख भरे तो रोना क्या,

जब नींद आए तो सोना क्या,

हैं मंजिल नहीं अब दूर तेरी,

घुटनों के बल फिर होना क्या,

जब आँख भरे तो रोना क्या।

तुझमें ही तो समंदर है क्या कहुँ,

विश्व तेरे अंदर है,

तु खुद में एक सिकंदर है,

फिर पथ विहिन अब होना क्या,

जब आँख भरे तो रोना क्या

जब नींद आए तो सोना क्या।

आकांक्षा कुमारी

Result of last month's opinion : 70% students were excited to have the prestigious Grammy Award in the country.

## LPU NCC Cadets pay Tribute to Pulwama Attack Martyrs

Our LPU Family members, hon'ble dignitaries, and LPU NCC cadets gathered to pay homage to the 40 CRPF personnel who sacrificed their lives in the 2019 Pulwama attack. We observed a deep silence and lit candles to pay our tributes to the bravehearts, whose service to the nation will always be remembered. Salute to the brave hearts and their families.

## Events organised by LPU NSS InCampus and OutCampus Cancer Awareness Camp Empowers Female Students at ITI Phagwara by LPU NSS

The Cancer Awareness Camp held at ITI Phagwara on February 5th, 2024, organized by LPU NSS Volunteers, was a significant initiative aimed at educating and empowering female students about cancer prevention and early detection. The event served as a platform to raise awareness about the importance of preventive measures and the benefits of early diagnosis in combating cancer. The session focused on providing valuable information to the participants, equipping them with knowledge about cancer risk factors, symptoms, and screening tests.

## Empowering Communities: LPU NSS Team Educates in Adopted Village Schools

The LPU NSS team's commitment to community development and education is evident through their weekly sessions in government schools of adopted villages under the Gyandeeep project. This initiative aims to empower students through educational programs, contributing to community well-being and social responsibility.

## Road Safety Awareness Rally in Jalandhar by LPU NSS Volunteers

The Road Safety Awareness Rally conducted in Jalandhar on February 5th, 2024, by LPU NSS Volunteers was a significant initiative aimed at promoting road safety and emphasizing the adherence to traffic rules for the well-being of all road users. Through the Nukkad Natak performance, key road safety issues such as wearing seat belts, avoiding speeding, using helmets while riding two-wheelers, and respecting traffic signals were highlighted. By creatively presenting these crucial safety measures, the volunteers sought to educate and raise awareness among the community members about the importance of responsible road behavior.
