B.Tech. (CSE) selected at a package of **₹48 Lakh**

Arpit Sharma
B.Tech.(CSE) selected at package of **₹46.9 Lakh**

₹62.72 Lakh Package
Arjun
B.Tech. Class of 2022

LPU has always been known for great placements and this year, LPU has created another placement benchmark. A record number of its students have been placed in the dream and super dream packages. In the year 2021, 22, not only one of the largest number of students have been placed in top companies but as many as 383 LPU students have been placed at packages of 10-64 lacs per annum.

Giants like Google have recruited LPU B. Tech. CSE passout, Hare Krishna at INR 64 Lakh while LPU student of 2022 batch, Arjun received a package of INR 63 lakhs in AI/ML domain. Both of them will be working from the Bengaluru office.

Similarly, Amazon has selected its students at 46.4 lakh package while niche companies like Paloalto have recruited students at 49.4 lakh package. With these figures in place, LPU's average placement package would be one of the highest in

Giants like Google have recruited LPU B. Tech. CSE passout, Hare Krishna at INR 64 Lakh while LPU student of 2022 batch, Arjun received a package of INR 63 lakhs in AI/ML domain

the country. It is worth noting that there are thousands of other LPU students who are also placed at packages of upto 10 lacs.

For 2021, 2022 big companies like Cognizant alone recruited 1410+ students, Capgemini recruited 770+ students, Wipro recruited 450+ students, L & T Technology recruited 550+ students, DXC Technology recruited 250+ students and Highradius

recruited 230+ students at differential packages upto 10 lakhs.

A great placement record coupled with a state-of-the-art campus and global opportunities through tie-ups with more than 300+ universities make LPU one hot destination for aspiring students. LPU has students from 28 states and around 50+ countries, which makes LPU a university where students can get real global exposure right within India.

LPU's illustrious rankings by the world's most prestigious ranking systems speak for themselves. LPU outshined all other universities in India and is amongst the few Indian universities which are ranked by global ranking systems such as Times Higher Education. The Times Higher Education Impact Rankings 2022 have ranked LPU 74th globally.

NIRF RANKINGS 2022 – LPU OVERALL 47TH

LPU did it again!
Ranked 47th
amongst all
Govt. and Private
Universities in India

A jump of 15 ranking
positions as compared to
our NIRF 2021 Rankings

	12th In Architecture
	13th In Law
	19th In Pharmacy
	34th In Management

India's Union Education Minister Mr Dharmendra Pradhan released the 'National Institutional Ranking Framework (NIRF) Rankings 2022', in New Delhi; where LPU is declared 47th among all government & private universities in India. It had jumped 15 positions from last year's ranking which is one the highest improvement in ranking made by any institution in India.

LPU's School of Architecture is ranked among the top 12

LPU's School of Architecture is ranked among the top 12; of Law among the top 19; Pharmacy among the top 19; Management in the top 34; and Engineering in the top 51 institutions in India.

This NIRF score is a reflection of where the institution is standing vis-a-vis other institutions in a similar category.

The participating universities are selected based on the quality of work in: "Teaching, Learning and Resources (TLR); Research and Professional Practice (RP); Graduation Outcomes (GO); Outreach and Inclusivity (OI); and, Peer Perception (PR).

LPU collaborates with top ranked Accra Technical University in Ghana

A new beginning, LPU has collaborated with one of the top-ranked educational institutions in Ghana, Accra Technical University (ATU). In this regard, ATU and LPU have signed a Memorandum of Understanding (MoU) in Ghana. It is to help build the capacity of Ghanaian students, and to propagate mutually beneficial other educational endeavours.

ATU and LPU have signed a Memorandum of Understanding (MoU) in Ghana

This strategic partnership will provide students and stakeholders with exchange programmes, joint faculty research publications, internship programmes among various other

collaborative areas. The agreement is an effort to engage students across the globe, and work together to create novel opportunities for students. Both the institutions have also planned for global conferences, research activities, advanced technical know-how.

LPU ties-up with University of Technology Sydney, Australia

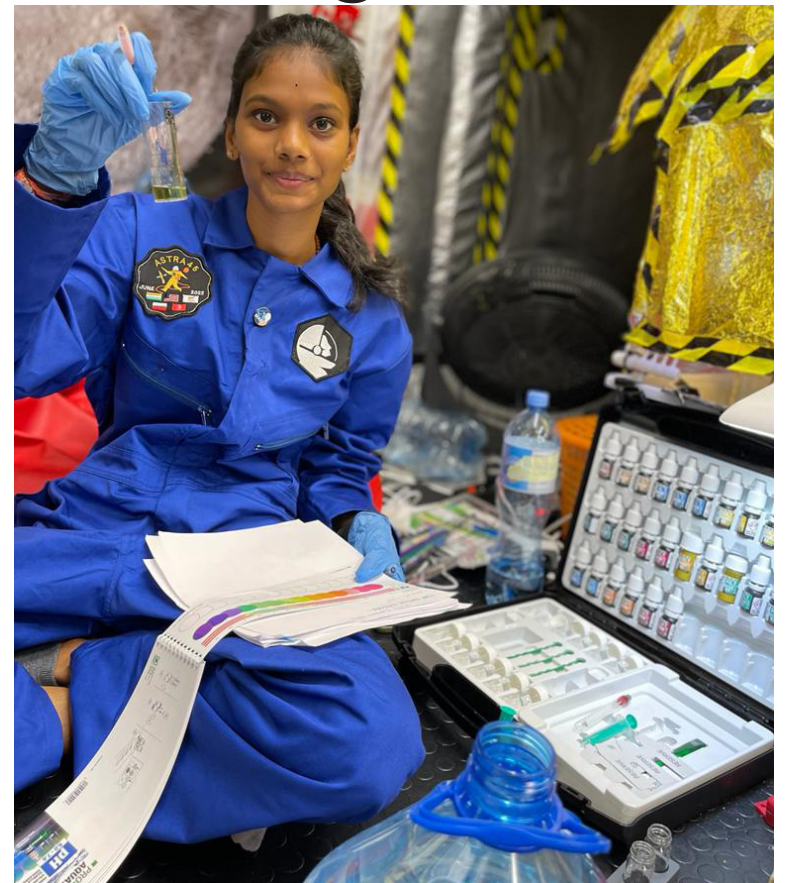

LPU has tied-up with the University of Technology Sydney, New South Wales, Australia which is one of the top universities in Australia established in 1964. It is

ranked 133rd in QS World University Rankings 2022 containing 184 undergraduate programs and 124 post-graduate programs. It requires a minimum IELTS score of

band 6, TOEFL score of 79, SAT score of 1090, and GMAT score of 550.

It is also ranked 126th by QS WUR Ranking By Subject (where a majority of its courses rank under 100 in the world). It is one of the top universities that falls under the 'young' category and has ranked 1st in Australia in 2021 whereas the QS World University Rankings Young Universities ranked it 11th globally.

Verto represents India at Analog Astronaut Training Center

Jahnvi Dangeti, studying BTech ECE Hons, becomes one of the youngest Analog Astronauts in India. She represented India in Analog Astronaut Training Center in Poland among 6 crew mates. AATC was created by former European Space Agency professionals: engineer and scientist. In 2018, the company established a laboratory to simulate space environment for scientific experiments focused on space biology and medicine. The facility is located in Rzepiennik, South of Poland.

ALUMNI'S DIGITAL SPACE WEATHER INSTRUMENT IN ISRO'S PSLV C53

Digantara team interacted with Honourable Prime Minister Narendra Modi, where they explained their vision to the PM

A glorious achievement by ISRO, as they launched PSLV C53 carrying three Singaporean satellites into their orbits, along with this the launch vehicle carried LPU based Alumni Space tech start up, Digantara's Digital Space Weather Instrument, which is the smallest in the world.

Headed by LPU alumnus and CEO of Digantara, Anirudh Sharma and Co-founder and COO, Rahul Rawat and 10 other members, they have built a one stop solution for space operations, launching the World's first commercial space-based weather system, ROBI

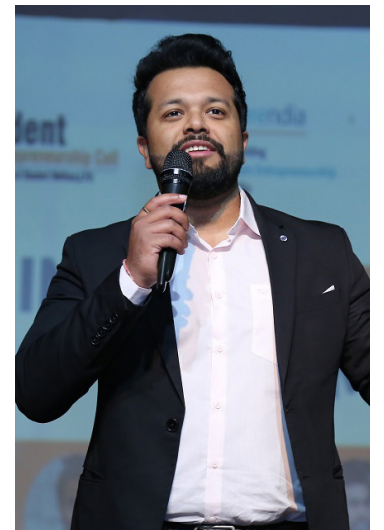

Digantara's patented, digital space weather instrument has an extremely small footprint with power consumption of less than 20mW

(ROBust Integrating proton fluence meter), on the most prestigious Indian Space Research Organizations' PSLV - C53 Mission. Earlier this month, Digantara also interacted with Honourable Prime Minister Narendra Modi, where Anirudh Sharma

explained their vision to the PM. Post this interaction, Digantara also made it to the Mann ki baat speech wherein Honorable Modi mentioned about this space tech startup.

This is India's one of the first commercial payloads that will utilize PSLV's PS-4 orbital platform. Digantara's patented, digital space weather instrument has an extremely small footprint with power consumption of less than 20mW. The simplicity of integration makes it ideal for placing in any satellite that goes to space, irrespective of size, shape or application.

LPU ALUMNUS COUNTED AMONG TOP 10 CRYPTO INFLUENCERS

Former MBA student from Lovely Professional University, Bibin Babu has been included among top-ten 'Crypto Influencers' in the world. One of the prominent contributors to the prestigious magazine 'Forbes Mc' has figured Bibin as a 'Star' in the booming cryptocurrency industry to watch in 2022.

Bibin Babu has been in the blockchain industry since 2015, just after his MBA from LPU. He worked on several projects. He has trained and educated more than 10,000 students about the fin-tech world through free programmes.

aware of the use of blue and green dustbins, made them acquainted with the reuse of single-use plastic bottles for planting or decorative purposes. Today, the campaign is in progress in Bihar, Delhi, Andhra Pradesh, Punjab and Jharkhand and over 30 societies and over 5 organisations have adopted her model of managing waste in routine life on their own.

Verto saves environment under SDG13 'Waste Management in Routine Life'

Anchal Kumari, studying Bachelor degree in "Integrated BSc. B.Ed., was assigned the task "Community Development Project" namely Waste

Management in Routine Life under SDG-13 (Climate Action). The scene that inspired her to start this campaign with waste management was seeing

people generating waste uselessly and thinking that managing waste is the government's duty, so they take it for granted.

She worked on this small

issue on a bigger scale and made people habituate waste management in their daily routine on their own. She made sure that the common public of her locality was

Today, the campaign is in progress in Bihar, Delhi, Andhra Pradesh, Punjab and Jharkhand etc

SPACE CAMP INDIA 2022: INTRIGUING & THRILLING

Space and stars are the most intriguing things for a child's curious mind. There are mysteries way beyond what our thinking can comprehend which add thrill to your life. Growing up, it becomes less and less clear what should a person do professionally. The idea of uncovering the mysteries of the universe fades away and we get ready to run in the rat race of the world.

In a similar effort to revive the curiosity and the ambition of the students, Hexagon Aerospace and Howard Smiles under the aegis of

SCI 2022 was a national-level summer camp for a space-related event where students from various schools took part

Division of Student Welfare, Lovely Professional University organized the Space Camp India 2022. SCI 2022 was a national-level summer camp for a space-related event where students from various universities and schools were hosted.

Space Camp India 2022 had a lot of activities aiming to rejuvenate the curiosity of young minds and unlock their potential. It was a blend of fun activities as well as learning. It was a once-in-a-lifetime opportunity.

The activities included visits to Science city, workshops like can-satellite, aeromodelling, space robotics, astronomy, drone fabrication, etc. It even had fun competitions like space warriors, prep wings, space quizzes, etc. For the most innovative part, it had squid game and space-themed EDM night for the participants.

VERTO FEATURED IN AIR'S FLAGSHIP PROGRAM

LPU Literary Society student Sneha featured in All India Radio's flagship program on 26th June.

LPU Phd student Bhumika gets her name registered in India Book of Records. She was given the certificate for maximum videos uploaded on Indian dates on social media. Congratulations!

LPU faculty holds India Book of Records title for Maximum Research Publication

LPU School Of Mechanical Engineering feels immense pleasure to announce that Aerospace Engineering Professor and Research supervisor Dr. JV Muruga Lal Jeyan holds India

Book of Records title for Maximum research papers on Aerospace and Aerodynamics written by an individual at this age.

The record for writing the maximum number of research papers on Aerospace and Aerodynamics was set by Dr JV Muruga Lal Jeyan at the age of 38. He has written 100 plus research papers and all research papers have been published in international journals, conference proceedings, including UGC, Scopus, SCI web of science as confirmed on April 30, 2022.

The record for writing the maximum number of research papers on Aerospace and Aerodynamics was set by Dr JV Muruga Lal Jeyan at the age of 38. He has written 100 plus research papers

16 students from UK visit LPU on Scholarship Program

From yoga to cooking to yoga, the students enjoyed every part of their stay

Yoga Day 2022: Elaborate celebrations at LPU

Over 500 students from all across Punjab took part in the Yoga Day celebrations

LPU STUDENTS VISIT VIZAG PART OF GOI'S PROGRAM 'AKAM-EBSB: VISIT OF STUDENTS TO PAIRED STATES'

'AKAM-EBSB' stands for 'Azadi ka Amrit Mahotsav-Ek Bharat Shreshtha Bharat'

Day 1 of the trip started with an Orientation Session by the receiving university which is Lendi Institute of Engineering and Technology, Visakhapatnam. Students interacted with the Joint Secretary of National Education Mrs. Neeta Prasad and officials from AICTE Headquarters.

Day 2 started with an amazing South Indian Breakfast and then the students took a bus journey to the Temple of Lord Surya - Sri Sri Suryanarayana Temple also known as Arasavalli Sun Temple. The students then visited Sri Kurmanatha Swamy Temple. The students then visited the Village of Ponduru where they learnt and witnessed the make of Khadi at Ponduru Khadi Industry.

Day 3 in Vizag involved exchange of thoughts among students of LPU as well as Lendi regarding the diversity of culture in India. After the session, the students went to Bheemunipatnam beach, where they played sports like volleyball and kabaddi. Besides playing sports they also enjoyed the mesmerizing beach view and spent gala time there.

Day 4 started with Vizianagaram Fort. On the way, they visited Sri Pydithalli Ammavari Temple. The stunning Fort of Vizianagaram, carrying the legacy of the past, was enough to pique someone's interest in learning about its past. Students arrived at the renowned Gurajada School in the evening, where they were welcomed by both school staff and students.

LPU signs MoU with Virtusa, global IT firm

LPU has signed a significant 'Memorandum of Understanding' with Virtusa, headquartered in the USA. On this occasion, a 'Virtusa Centre of Excellence' was also inaugurated at LPU's School of Computer Engineering, at the university.

This MoU will further help in strengthening LPU's academia-industry connection, especially in the area of new domains of information technology including the 'Google Cloud Platform'.

While interacting with LPU students, Senior Vice President & Global Delivery Head, Virtusa, Mr Mohit Sharma shared that Virtusa sparks innovation, and helps one to drive transformation with expert execution at a global scale. He also guided students about the 'Virtusa Student Ambassador Program', and informed them that it is a unique opportunity for students to commence a long-lasting relationship with Virtusa.

Dr Jindal talks about the reasons why one should donate blood

LPU was recently graced by the presence of Dr Aikal Jindal, Consultant and Head Transfusion Medicine, SPS Hospitals, in lieu of the World Blood Donors Day. While talking to a full house, Dr Jindal informed the importance of blood donation.

LPU lifts AIU's North Zone Inter-University Kho-Kho (Women) Championship Trophy

The LPU Girls Kho-Kho team won gold at the North Zone Inter-University Kho-Kho Championship 2021-22. Throughout their many matches, LPU women's players displayed the finest of the game's running and chasing talents. As a result, they were able to wrestle the winners' trophy away from the grasp of powerful teams that were regarded as their competitors. The MDU Rohtak team has been given the title

LPU players displayed finest running and chasing talents

of first runner-up, while the Kurukshetra team has been given the title of second runner-up. Panjab University has been awarded fourth place.

Kho-Kho is played by multiple teams, each of which is comprised of 12 players, of which 9 join

the playing field and the remaining 3 become the members of the defending team. The sport of Kho-Kho is played outside and is regarded as a game that requires both method and strategy. It is a game that has a very high level of competition.

The North Zone Inter-University Kho-Kho (Women) Championship-2022 was hosted by the Association of Indian Universities (AIU). It took place at the Baldev Raj Mittal Unipolis of LPU.

GOLD FOR VERTO IN WORLD SHOOTING C'SHIPS

A Journalism & Mass Communication student of LPU Arjun Babuta has won an international gold medal in 10m Air Rifle final of the Shooting world Cup, on its very first day. Representing India, LPU student Babuta excelled Tokyo Olympics silver medallist Lucas Kozeniesky of the USA, in one sided competition, with the final winning effort of 17-9.

The shooting competitions in Rifle/Pistol/Shotgun are being organized by the International Shooting Sport Federation (ISSF) in Changwon (Korea), which are to continue up to 21st July, 2022. LPU's student shooter won the event to clinch the country's maiden gold

medal, so far, at the ongoing World Cup. Hailing from Mohali in Punjab and to be a student of LPU to fulfil his dreams, Babuta had earlier topped the ranking match with 261.1 points to qualify for the gold medal clash.

About 450 athletes from 43 countries are taking part in 30 events of the World Cup. It will provide an opportunity not only to compete for medals, but also for having "World Ranking" points. It seems LPU student is inching towards capturing another ISSF's another highest award "the Blue Cross" for the country, as has earlier been done by the ace shooter of the country, Abhinav Bindra.

VERTO WINS SILVER IN AIU ROLLER SKATING C'HIPS 2022

A matter of pride and honour for all of us that LPU student Surla Ganesh has won Silver medal at All India Inter-University Roller Skating Tournament 2022. Congratulations!

9th edition of UniStaff Cricket League launched

Division of Sports, in association with Division of HR, launched the 9th edition of UniStaff Cricket League. This year, 12 teams will be competing against each other to win the title. In a new, this year UniStaff Cricket League will also have a Bronze winner apart from Gold and Silver. Let's see who makes it to the finals!

A freewheeling chat with Prince of Bhangra Sukhbir Singh

Student organization, Society for management Learning under the aegis of the Division of Youth Affairs, LPU is back with yet another enlivening talk show with an amazing personality, Sukhbir Singh, popularly known as the Prince of Bhangra! He is a well-known gem of the music industry and everyone has danced to the songs he has produced starting from “Ishq Tera Tadpave Oh ho ho ho” to “Gal ban gayee” and numerous others.

Sukhbir talked about his childhood memories. He also shared the names of the musicians who influenced him in the past and why is he named the Prince of Bhangra

The live session started with lots of exuberance and as it happened on International Yoga Day, so Sukhbir Singh told about his basic routine and about the stretches that he does after his shows which relax him. During the pandemic, he finally got time to spend with his family so it was like a short break for him where he could once again bond with his family and cherish those moments.

During the show Sukhbir talked about his childhood memories of aspiring to be a pilot. He also shared the names of the musicians who influenced him in the past and from when he was called the Prince of Bhangra.

SUMMER CAMP 2022: TIME FOR SOME FUN & LEARNING FOR THE LITTLE ONES

The kids were super excited this year as after a gap of two years, Summer Camp returned to the offline mode

Department of Cultural Affairs, Student Welfare Wing, held Summer Camp 2022 from 16th to 29th June 2022. All University Heads, faculty and staff members having children within the age group of 6 – 14 years were invited to register their kids.

It is for the first time since the Lockdown was announced that kids were asked to come to the university premises to be a part of this Summer

Camp. The skills that were taught in the 10 days camp include building a dynamic personality, Art & Craft, Cook & Serve, Dance, Music & Theatre. The kids were super delighted to be a part of such an exciting camp. They not just participated with a lot of zeal, but took active part in each of the activities. On the final day, a closing ceremony was also organised where the kids demonstrated various plays, acts, dance and music performances on stage.

An illuminating live session with Lataa Saberwal

Student organization, Oasis, under the aegis of the Division of Youth Affairs, Student Welfare Wing, Lovely Professional University recently did an intriguing live session with a fantastic personality, Ms. Lataa Saberwal. She is an Indian film and TV actress, popularly known for her remarkable outplay in renowned hits like Vivah, Ishq Vishq, Yeh Rishta Kya Kehlata Hai, and many more. She is also a nutritionist, image consultant, and TEDx speaker.

She grew up in a family who wanted her to focus on her studies and she used to participate in all the extracurricular activities starting from dance to debate during her school and college time. She first auditioned for a dance show on the occasion of Baisakhi for Doordarshan. She advised vertos that if you're confused and can't decide what to choose, in that case, you should always choose what will give you lots of happiness and makes you feel alive.
