My WINGS

Time and Tide wait for none

So does the love and every breath we take

Better not take your life as a piece of cake

Just walk on a lane

For paths are untrodden

and ready to be marked

Some might be embarked

Or few can be sparked

It's you who can change

Or it's you who can arrange

The world is too small

Never fall for a brawl

Let us believe in peace

Live like a bleise

For the sky is the limit

And soaring high is my fleet
